Local resident mending after fall

By MARJORIE WOODLAND
We are glad to see Blanche Taylor improving after her unfortunate fall on the ice earlier in December. She hopes to be free of her cumbersome cast before Christmas.

We welcome Artie and Heli Parrott back to the community. They have built a fine new home on Old 47 Highway. They, along with their three children, Toomas, Tiit and A.J. (Arthur the third) are enjoying their newly completed house in time for Christmas.

Do remember to save your used stamps from the many cards and letters coming in the mail this month. They have a small monetary value and are welcomed at many benevolent societies, such as the leper mission. If they are dropped in the red box at the Baptist Church they will be sent there.

Christmas Eve at the United church is a date to remember. As well as a candlelight service, the choir will present a Christmas cantata. Much time and effort is spent in the Christmas presentations by our churches. Try to attend at 7:15 p.m., Dec. 24th.

Mrs. Jessie Batten suffered a severely broken ankle last Tuesday. Surgery was necessary in order to set it properly. She will return from a Toronto hospital to Uxbridge Cottage Hospital soon.

The United Church Sunday School celebrated "White Gift" Sunday on Dec. 13th. On Sunday, Dec. 20th the Baptist Sunday School travelled to Elder Care Home in Stouffville where the young choir enjoyed carolling. Each resident was pre-

sented with a small gift and the fellowship was profitable for all.

Happy Birthday Verna Bumber. You were our family's best Christmas gift in 1919.

We would like to share a greeting which came to us by mail:

God bless your home and the people there;
May the skies that touch your roof be fair.

May you have stars when the night is old;

And a muffler warm against the cold.

May health and joy attend the cook;
And laughter live in your breakfast nook.

May you have too, a tender care;
For those with greater loads to bear.

May your heart with heavenly peace abide;

As you sit with good friends by your side.

All of these may Christmas bring;

And may your heart have songs to sing.

CHRISTMAS TIDE

We'd like to take this time to say "Thank you" & "Merry Christmas" to our friends and customers.

Editor's Mail Campaign proceeds doubled

Dear Editor:

Stouffville's 1987 UNICEF campaign is over. The proceeds from this year's sales were almost double that of 1986.

Three hundred items were sold. Total proceeds were \$2,800.

I wish to thank The Tribune for the publicity provided this very worthwhile project.

A special thank you to Sheila McLeod of the Whitechurch-Stouffville Public Library and all members of the Library staff who were so helpful. Also, my appreciation to town merchants for willingly displaying UNICEF posters in their store windows, and of course to those residents who supported UNICEF through the purchase of cards and gift items.

Proceeds will make life for children in Third World countries safer and healthier. Funds are used for immunization, clean water and sanitation, child nutrition, community and family-based services for children, formal and non-formal education, planning and project support and emergency relief.

Did you know that for every card sold, one child is immunized, and for every four packages of cards sold, a village pond is stocked with fish?

Please look for us again the first week in November, 1988, at the Library.

On behalf of all UNICEF volunteers, my thanks.

Sincerely,
Bonnie Heidema,
Manitoba Street,
Stouffville

And the Angel said unto them,
Fear not: for, behold, I bring you good tidings
of great joy, which shall be to all people.
For unto you is born this day in the city
of David a Saviour, which is Christ the Lord.
