Warming up to home comfort savings

It's a welcome thought. The more you know about energy conservation, the more money you'll save on heating bills.

That's why the Government of Canada has put together the ENERGY SAVINGS KIT. It has valuable and up-to-date information to help you build energy

efficiency into all your home renovations, and increase

the resale value of your home.

So if you're planning to spend money on your home this year, why not plan on saving some? Get the ENERGY SAVINGS KIT. For your free copy, mail this coupon to:
