THE ART OF PREMIER

The new Eagle Premier* has more passenger room than Cadillac Seville or Audi 5000. More standard horsepower than Ford Mustang LX or Pontiac Grand Am. A smaller turning circle than Porsche 928-S4 or Ford Escort GT. More cargo volume than Rolls-Royce Silver Spirit or BMW 735i. It comes with a fully independent suspension while Chevrolet Camaro Z28 IROC and Saab 9000 Turbo do not. Plus, it's backed by a 7-year/115,000 kilometer powertrain Protection Plan** Which is much longer than anything offered by Ford, Jaguar, or Alfa Romeo.
