## Take this test to see how your child is doing at school.

Success at school is usually obvious, but learning problems can be subtle. Does your child often...

Put off homework, or dawdle with it?  YES  NO

Resist reading aloud, or talking about school?  YES  NO

Withdraw, or show off to extremes?  YES  NO

Complain that school is harder now, or come home with poorer grades?  YES  NO

If yes in any case, call Sylvan Learning Centre. Most of our students increase their basic reading or math skills by a full grade level\* after just 18 weeks (two hours a week) of instruction.
