More money now
More money later...

Guaranteed.
With a Guaranty Trust "Best Rate" GIC-RSP.

More money now because not only can you defer some of your 1987 taxes but we can even lend you up to \$7500 to maximize your contribution. Then you needn't make a payment for a full 4 months,* by which time you should have received your tax rebate.
More money later because our "Best Rate" GIC-RSPs guarantee the highest rates among the major banks and trust companies. And since both your principal and interest are guaranteed for the full term, no investment could be more secure.
Other Guaranty Trust RSPs you might

want to consider: a Daily Interest RSP (a tax-sheltered savings account), Equity Income and Mortgage Funds, plus spousal and Self-Directed Plans.
The tax deadline for RSPs is February 29th this year, so hurry. Call your nearest Guaranty Trust branch and enquire about extended hours and our 15-month 16% bonus GIC-RSP.

TAX DEADLINE FEBRUARY 29. WHY WAIT?

*Best because we'll match any major Bank or Trust Company offering a higher rate: Canadian Imperial Bank of Commerce, Royal Bank, Toronto Dominion Bank, Bank of Nova Scotia, Bank of Montreal, Canada Trust, Royal Trust, VU National Trust.
**Subject to credit worthiness. Interest is calculated from, and the four month payment deferral period commences at, the date of advancement of funds. (Offer not available in the province of Quebec.)
