Home of the week

A greenhouse kitchen, basement sauna and 24-foot-long bedroom highlight this Unionville house. It's listed with Family Trust Corporation Realtor at \$419,000. The house is at 82 Montgomery Court and has four bedrooms, main floor family and laundry rooms, and two basement walkouts to the patio. The kitchen has southern exposure and greenhouse styling. There's a wet bar and open brick fireplace in the family room and the living and dining rooms are combined. The master bedroom has a door to a private balcony, an ensuite bath with six-foot Jacuzzi tub, separate shower and bidet as well as walk-in and double clothes closets. Two other bedrooms have walk-in closets and the fourth has a double closet. Extras include central air conditioning and central vacuum, garage door opener, intercom system and a fully fenced and landscaped yard.
