Durham police seek arsonists

By Sgt. SANDY RYRIE

Crime Stoppers and the Durham Regional Police are asking for the public's help in solving an arson which destroyed a powerboat and damaged two sailboats in Pickering on Jan. 15.

At about 9:30 p.m., a fire was discovered in a boat at the East Shore Marina on Liverpool Road South. The fire department was called but unfortunately a 21-foot Doral powerboat was destroyed and two sailboats were damaged. The total value of damage amounted to \$50,000.

Shortly before the fire was discovered, two youths were seen running along the Marina fence away from where the fire started. Footprints indicate they were beside the boat when the fire started.

They are described as both males, about 17-years-old, one of medium build the other slightly heavier. Both were wearing similar beige ski jackets.

Crime Stoppers will pay up to \$1,000 for information leading to the arrest of those responsible for

the fire.

You will never be required to identify yourself or go to court.

If you have any information on the identity of these youths contact the Crime Stoppers office, open 8 a.m. to 10 p.m., Monday to Friday at 1-222-8477 or 1-800-387-8477.
