Home of the week

This week's home of the week is at 4 Forfordale Rd. south of Aurora Sideroad near Hwy 404. The house is listed with Century 21 Armour Real Estate Inc. at \$599,000. It sits on two acres and has eight rooms including four bedrooms. There are two spiral oak staircases, two floor-to-ceiling fireplaces and a custom-built wet bar in the sunken family room. For more information about this home contact sales representative Darla Gordon at 294-2533.

Local Re/Max real estate agents were toasted by their company at a recent dinner and awards night. On Saturday, March 19 38 local representatives were among hundreds to receive commission awards from the company's Ontario and Atlantic Canada division.

The highest award granted is the 100 per cent club designation. Any agents who receive this have commissions in excess of \$100,000.

Executive club and President's club awards are to honor agents who earn more than \$50,000 but less than \$100,000. While the figures may seem high, Re/Max agents pay for their own overhead costs out of these earnings.

Of the three Re/Max offices which serve the Markham Stouffville area, 27 agents attained the 100 per cent club, five joined the President's club and six made it to the executive club.

Lee Weldon, an agent with Re/Max Scugog Realty Ltd. garnered a position as one of the company's top 10 real estate agents in Canada.

Robert Cooper of Re/Max Markville Realty Ltd. was the top commission earner at his office.

These awards are granted to Re/Max agents in Canada and the United States to recognize the most successful in the organization.
