Girl Next Door

One pretty member

By JIM THOMAS
Many parents and young people wish Stouffville had an indoor pool.

For some, the dream may be reality. In an area where many families are currently refurbishing their convenient backyard swim facility, daughter Dayna Farmer hopes to save a part-time instructor. She says Girl Next Door swimming is Dayna's favorite sport. She intends to keep working on badges leading to leaders and life savers certificates. These will qualify her to give lessons. With the family pool open all year round, Dayna's confidence in the program will prove successful.

Still, she feels Stouffville should have an indoor pool of its own. "We can't accommodate everyone," she notes. Born at Oakville, Dayna and brother Danny, now 16, came to town at an early age. Dayna attended Summitview School and is presently a student in Grade 10 at SDS. She completed Grade 9 with honours. Math and English are favorite subjects.

An extremely personable young lady, Dayna brightens the lives of dozens of customers at Stouffville's Canadian Tire where she serves on cash. Despite the fact her father's the manager there, she had to fill out an application form like all the rest.

She admits her parents have greatly influenced her life. "They're strict when they have to be," she says. Dayna also has appreciative words for close friend Giles Francis, a young man she came to know back at Summitview.

"We've kind of grown up together," she explains, "he's

been a help to me and hopefully I've helped him."

A career in child psychology is what Dayna has in mind following graduation. "I love working with children," she claims.

Dayna's enjoyed some memorable vacations including a trip to Denmark when her brother travelled there on a hockey exchange. "I'll never forget it," she says.

She's also been to Florida several times. When it's a spur of the moment thing, we fly," she explains. "When it's planned, we drive." The fam-

"Some day, Dayna wants to visit Australia. I hear it's a beautiful place," she says. "I've had a sneaked most in Stouffville," Dayna asked.

"I really love it here," she pleases. "I'm 15-year-old. I like it. However, two things she feels are missing — an indoor pool at the West Centre and an organization geared specifically to teens."

Dayna plans to be a member of Club 40's. She's certain something similar could be well supported here.
