Girl Next Door

Barbara sparkles

By Jim Thomas
 She'll be your umbrella in the sun. She'll be your umbrella in the rain. No matter what weather when Barbara Smith is around, she'll lead a student in Graceville to a sunny day.

She's our Girl Next Door at Graceville R.R. 22. Barbara moved to Graceville at age eight. She now leads a student in Graceville to a sunny day.

rite subject. Jim Fletcher's a favorite teacher. Barbara says this makes her one of the most sought after baby-sitters in town. She's hoping for a career associated with children. She plans to attend a community college following graduation from Graceville.

Barbara Smith is Stouffville's "Little Miss Sunshine". Her sparkling smile and matching personality make her fun to be around. Barbara's a Grade 11 student at Stouffville High. — Jim Thomas

like her high school. Barbara says she's enjoyed it ever since she started. For a time Barbara was employed at Country Club Heights, Main Street, East. There also she turned many a crowd upside down.

Barbara speaks in glowing terms of her mother. She's important to me, she says. My whole family love Barbara. She has two sisters, Wendy and Debbie, and a brother, John.

A lover of the great outdoors, Barbara hopes some day to live on a small farm with a horse.

Oh yes, one of Barbara's favorite pastimes is fishing. No pulling worms on the hook present no problems.

I've had some pretty good luck, she claims, describing the size of her catches as average.

The fish are probably prompted to surface after seeing the reflection of her smile. It's also catching.
