### Have your say Do you practice recycling? Why or why not?

Frank Green

"Yes I do. I've been using the recycling facilities for a long time before it came here. I used to live in Midland. I take bottles, cans, everything. I think it is what we need."

Joy Byer

"No I don't, but I think it is a good idea really. I live in the seniors' apartment building on Elm Street and don't have a car so it is hard."

Irene Reid

"Yes I do. I'm just coming back from the plant. My husband, who is now retired, used to work at the recycling plant. Where are we going to put the garbage if we don't recycle it?"

Maureen Crawford

"We practice recycling irregularly, but if the drop-off hours were more convenient...or even better, if there was sidewalk pick-up, we would recycle all suitable garbage."
