STOUFFVILLE — She can run like the wind. Fifteen-year-old Reaquel Beecher, Bramble Crescent, is destined for track and field stardom at Stouffville High. She's our 'Girl Next Door'. Although new to Stouffville and SDSS, Reaquel's already made her presence felt. She was the lead-off runner on a junior girls' relay team that placed first in competition held recently at Seneca College. She's hopeful of bigger and better things. Born in Jamaica, Reaquel and her family moved to Stouffville from Scarborough last fall. "My parents toured the town, liked it and decided to come and live here," she explains. Reaquel admits initially she was apprehensive about school. However, she was encouraged to give it a try by sister Anne. "After a week, I decided it was fine," she says. Reaquel shows a dislike for talking about the past. "I look forward, not back," she replies. Other interests include basketball and soccer. She sings in the school choir, also the choir at Bethel Faith Tabernacle in Scarborough where she attends. Art is a favorite subject. Reaquel says her parents have been very supportive, help she appreciates. She also appreciates the support of teachers and friends. Eight months ago, Stouffville High was "kind of scary." Not so today, Reaquel is here to stay.
