

NATIONAL TRUST MONEY NEWS

MAY, 1988

Introducing the Total Life Card.

The most difficult thing will be remembering all its benefits.

Our new Total Life Card is unlike any other card you've heard of. Starting May 9, you'll find benefits so comprehensive, this ad isn't big enough to list all 59 of them. Here are just a few:

- Get instant cash at any money machine across Canada displaying the Interac® or Circuit® logo

- with no transaction fees.
- Savings at major retail establishments.
- Discounts on leading hotels and car rentals.

get the Total Life Card FREE for 1 year when you get a National Trust Mortgage.*

*Applies to any new or renewal residential mortgage approved by National Trust.

CUT DOWN THE COST OF BORROWING BY SETTING YOUR OWN LOAN RATE*

Loan interest rates got you in a bind? With our Personal Loan offer, you can trim up to 1% off the rate of your loan

by simply using any two of our banking, lending or investment services! (Use just one additional service and you'll get 1/2% off the regular loan rate.)

That means you can drive that special car, build that addition or pool, take that dream vacation... all at savings of up to 1%!

- You'll get fast approvals - usually within 24 hours.
- You'll get an excellent rate with terms tailored to fit your needs.

UNLOCK SUBSTANTIAL SAVINGS WITH OUR MORTGAGES!

We can design a mortgage that can mean substantial savings for you. Plus you get excellent rates and quick approvals. And don't forget, you get a FREE Total Life Card when you get a mortgage* from us by June 30, 1988.

*Applies to any new or renewal residential mortgage approved by National Trust.

Offer applies only to fixed rate term loans of \$7,500 to \$100,000. Offer does not apply to conditional sales contracts and loans are subject to normal credit approval. Offer ends June 30, 1988.

New Whisper Air - Quiet cool by Clare
SPRING SPECIAL!
Purchase before April 31st, 1988 receive FREE 3 years parts and labour warranty.
Finally, there's an air conditioning unit that you know is operating because you can feel its comfort rather than because you can hear the noise it makes.
The new Whisper Air is big on cool comfort and incredibly low on traditional air conditioner noise.
