

“Don't Get Lost In The CROWD!”

This weekend the **STREET** will be busy. Lots of people bustling and hustling and generally revelling in the excitement and commotion.

But if you don't want to get lost in the crowd and if anonymity doesn't necessarily appeal to you, come and meet us at the **'LANES'**.

We could meet at **'PRESENTS OF MIND'** in the distinctive Father's Day Gift Section, or we could meet at **'LA SCARPA'** Shoe Boutique in the **'Evan Picone'** section (some of which is up to 60% off).

Perhaps we'll meet at the charming **'BUT-**

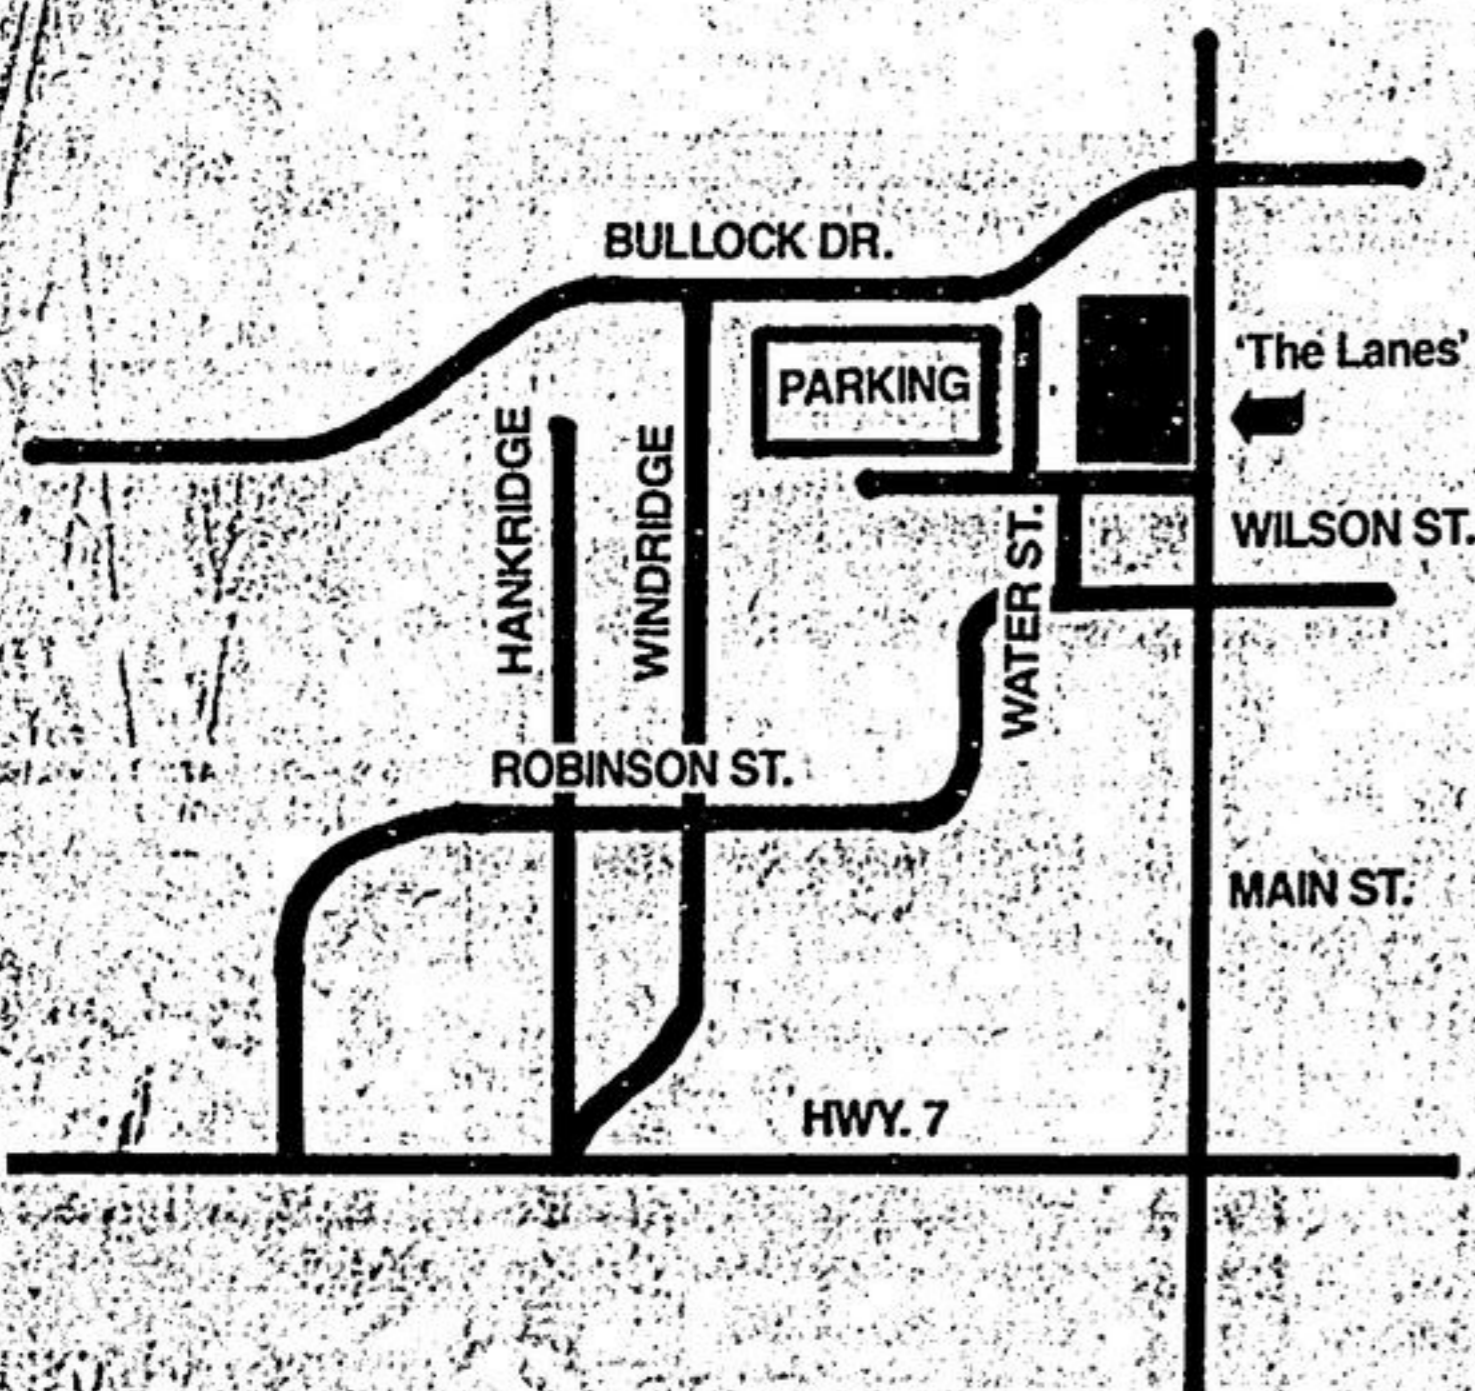

TERNUT TREE' Furniture Shop, or maybe even while hanging out in the Balsamic Vinegar Section at the **'GROCER'**.

When your browsing is done, we'll all meet in the courtyard patio at the **'WILSON HOUSE'** for one of the **'GROCER'S'** Prime Rib Sausages (Bar-b-que'd to perfection), a plateful of Millies Chips (imported from Nova Scotia) and perhaps a cool one or two.

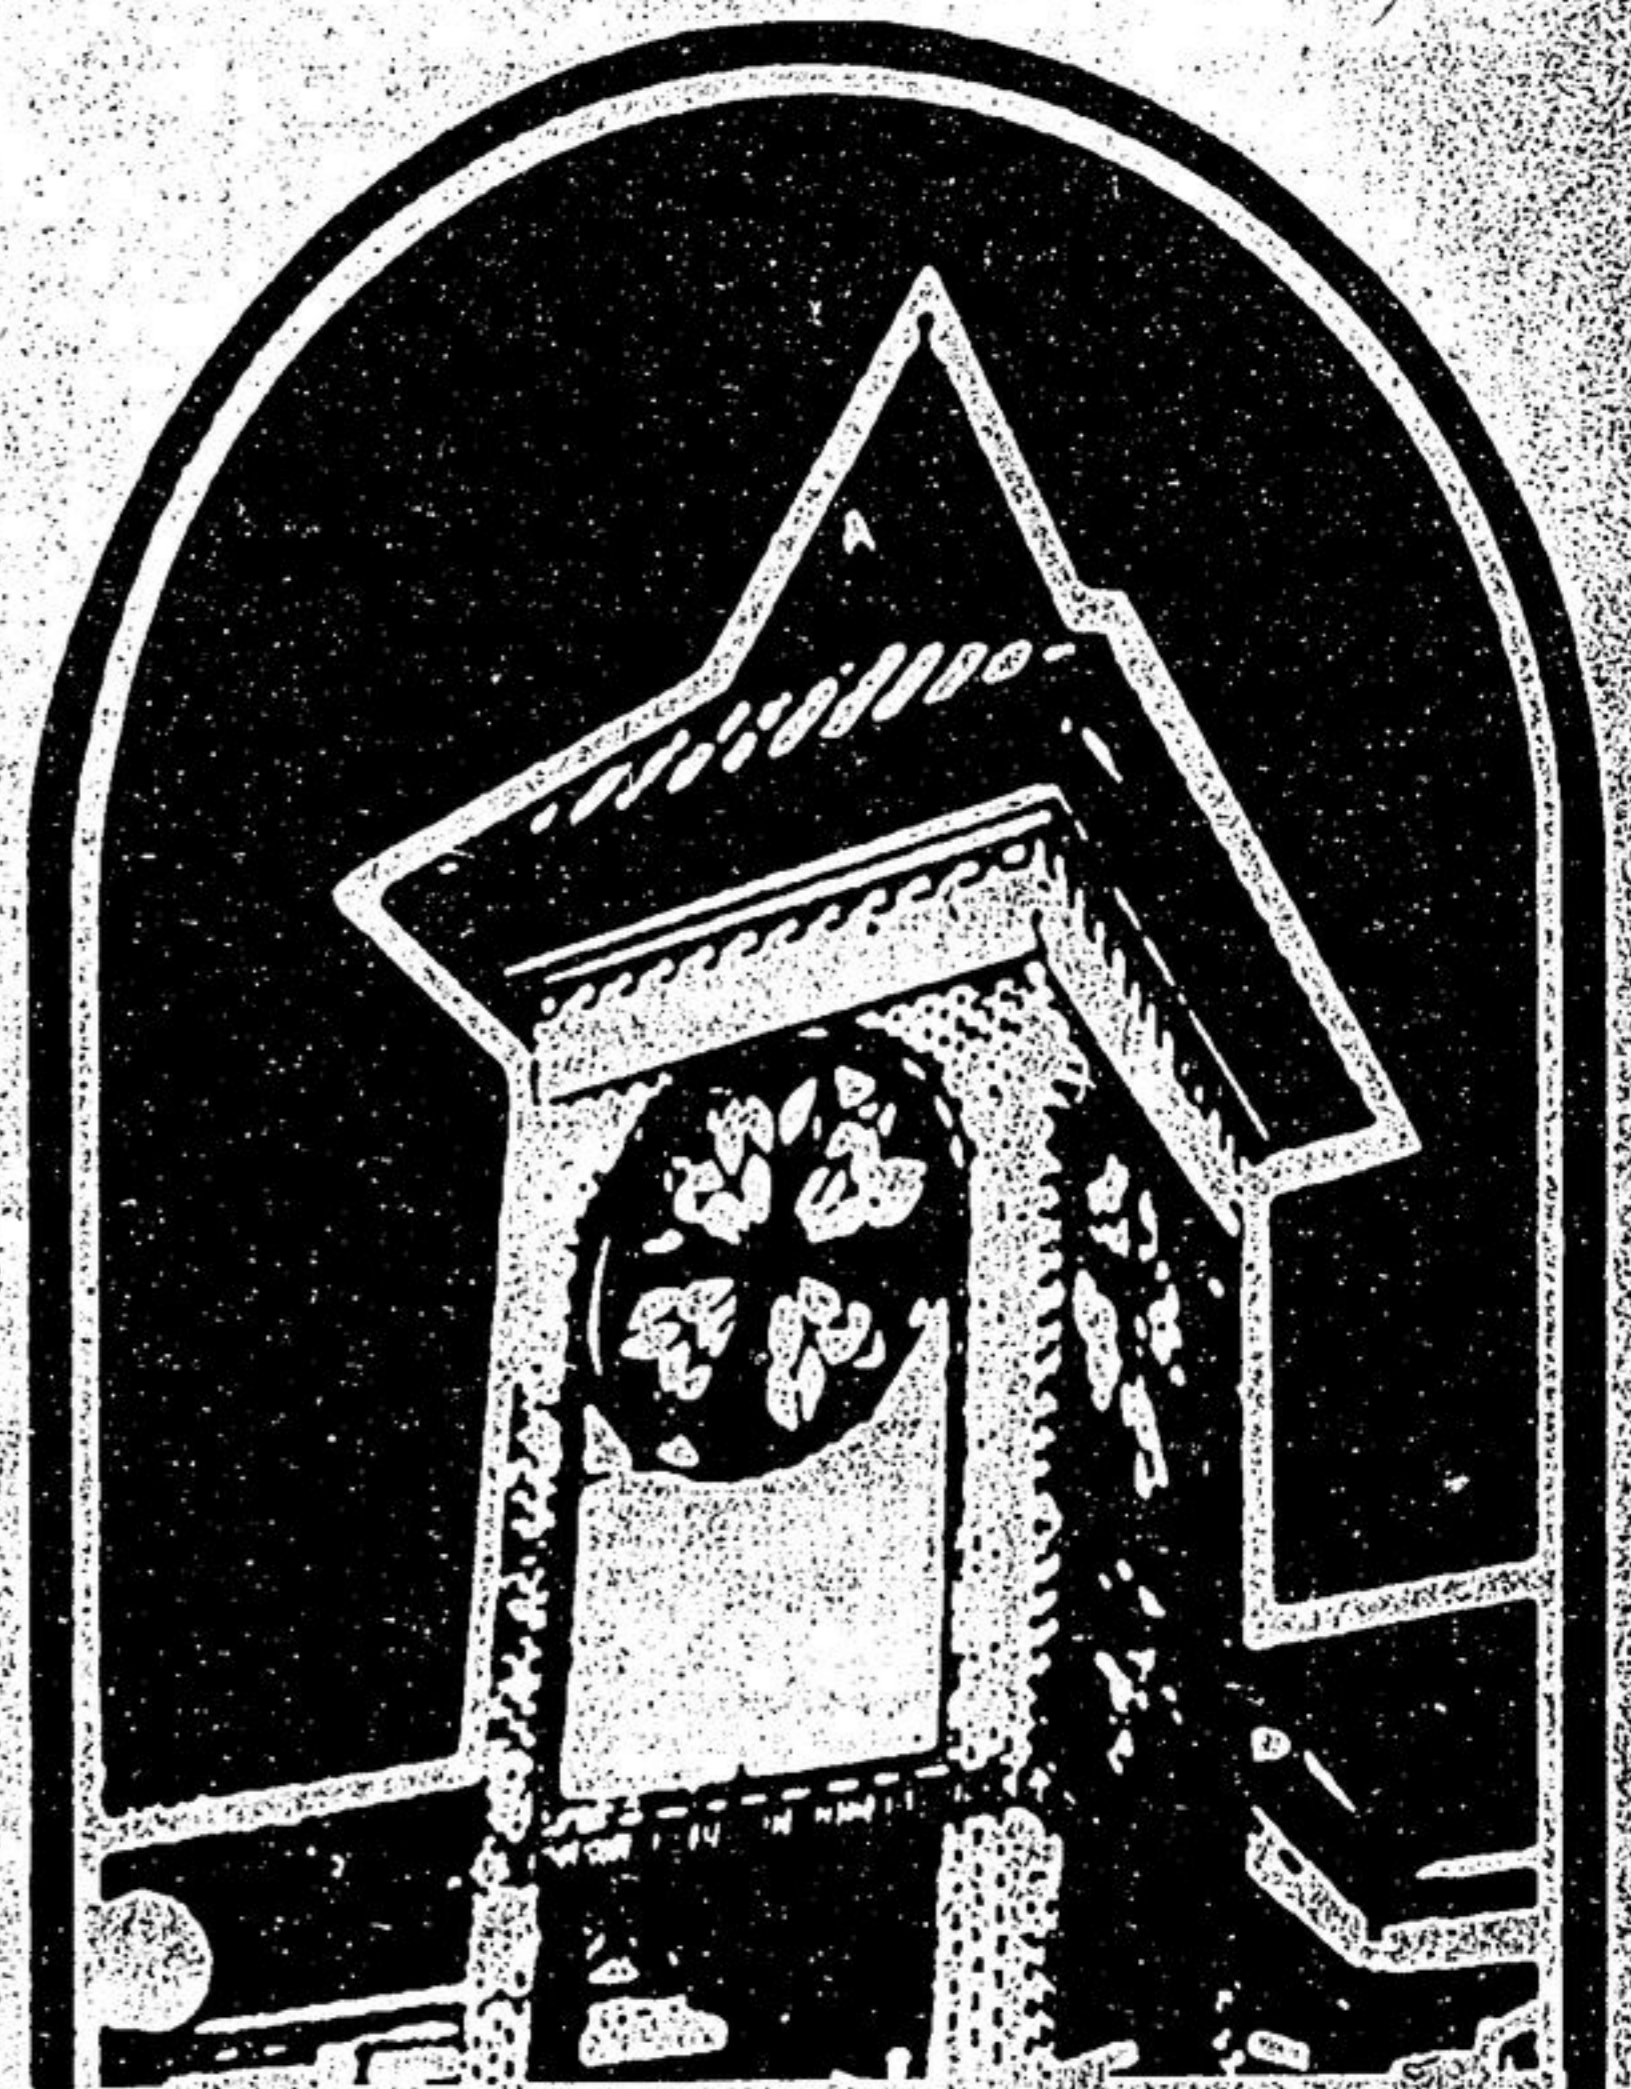

But no matter where you find yourself at the **'LANES'**, you won't get lost in the crowd.

**DON'T
