

Have Your Say

QUESTION: What does the Sesquicentennial mean to you? (Asked at Claremont's Sesquicentennial celebrations)

Lindsay Graham
Claremont's grown in the past 150 years and a lot has happened in that time. I think it's important that we celebrate that.

Sue Nicolai
With the Pickering Airport, this town almost died 12 years ago. But this is bringing family and friends back together.

Beverly Savage
I'm from Scarborough and it means meeting the people of Claremont. They're friendly here — nice country folk.
