Fourth Line Eldon out of hospital

By MARJORIE WOODLAND
 The extremely dry weather persists. It's excellent for curing hay but does little to encourage later crops.

Eldon Yake was confined to Uxbridge Hospital for a week but is now able to be back at work although he continues to have further tests and treatments.

Rowena Tindall accompanied by Earline Hoover enjoyed a tour of the old Mennonite Area of Pennsylvania Folk Lore recently. Sympathy is extended to the Merlin Harmon family of Goodwood on the loss of his father, George, who passed away on June 16 at Grace Hospital in Scarborough. The funeral service was held Monday at the Stouffville Missionary Church. Burial was in the Stouffville Cemetery.

After a severe illness of two months, James Sturge fell victim to cancer. Former Goodwood residents before moving to Ballantree, the family was well-known in the area. He leaves behind daughters Lorraine and Audrey, and sons Tom, David, Don and Edward. The funeral service was held in the Free Methodist Church on Warden with interment in the Resthaven Memorial Gardens.

The Baptist Young People enjoyed last weekend at Emily Park, leaving Friday and arriving home in time for the Sunday church services. We hear the menu included deep-fried alligator tails, but information neglected to state if they were caught locally.
