Stouffville Mites better Thornhill

The Stouffville Mighty Mite girls softball team was centre stage Thursday, and they put on a good show.

Playing on the main diamond at the town park, they bested Thornhill 15-11 in a game that was more like a walkathon than a baseball game.

The Mites treated the fans to some exciting fielding plays, with the infielders being responsible for throwing out five Thornhill baserunners in the five-inning contest.

The Stouffville squad started strong, scoring their limit of five runs in the bottom of the first inning to take a 5-2 lead. Thornhill came up with four of their own to lead 6-5 in the top of the second, but the home side came back with another five in the second.

Thanks to some dazzling defence and some great pitching by Melissa Miller, Thornhill was blanked in the third. Stouffville rallied for another five in their third to take a commanding 15-6 lead.

Thornhill would hit for five runs in the top of the fourth, but once again the Stouffville infield came up big in the fifth.

with shortstop Lindsey Upton gunning down a batter at first with a great throw and Jamie Wagg coming on to strike out two in true Tom Henke style.

While Stouffville scored most of their runs on walks and

steals of home, Lindsey Upton had a timely triple and Krista Dudley a single.

Kristy Ingram, Heather Lee, Upton, Allison Crowder, Dudley and Katie White all had two runs scored for Stouffville.

Miller struck out seven in her four innings pitched, and Wagg earned the save.

The victory upped the season's record to three wins, five losses and a tie for the Stouffville girls.

For the Heart

Lt. Governor of Ontario Lincoln Alexander prepares to throw out the first ball in the Polo for Heart game played Saturday in Gormley. Also on hand was Michael Sifton, owner of Buttonville Airport (at left). The games benefitted the Canadian Heart and Stroke Foundation.
