

## Experience For Yourself The History And Natural Beauty Of Canada.

Canada's natural environment is captured for all time through our network of 30 National Parks. Our history lives and is commemorated at more than 80 designated National Historic Sites.

Our National Parks are major recreation centres as well as home to many rare and unusual plant and animal species. New National Parks are now being established for the enjoyment of Canadians now and into the future.

To find out more about the National Parks or Historic Sites near you and the programs

they offer, complete and mail the coupon below:

### Books ahoy!

Brothers Ian (left) and Eric Corlett read by the Pirate Ship, one of the stages of the Whitchurch-Stouffville Public Library's Summer Reading Program. The program invites children to "Leap Along the Adventure Trail" by passing through various stages of

reading, including cold lands, darkness and China. Children who complete each level of the trail become Super Readers.

— Chris Garbutt

## Ashe seeks mayor's seat

Former Durham-West MPP George Ashe is running for mayor in the town of Pickering.

"I have been approached by scores of citizens and business leaders to put my name forward," Ashe said. "(They) have convinced me that I can contribute to the well-being of the town of Pickering."

Mr. Ashe served as Progressive Conservative MPP in the Ontario Legislature for 10 years until last September when he lost his seat to Liberal, Norah Stoner.

He was appointed to four ministerial positions while in office, including Minister of Revenue.

The 21-year Pickering resident was the first mayor of the town, after serving as Deputy Reeve for

the former Township of Pickering.

Mr. Ashe claimed his approach to government is one of 'fiscal responsibility.' He said his concern is for the taxpayer and how the taxpayers' dollars are spent.

He also said that while in politics, he has always been available when a constituent has a problem.

"In a dynamic and growing community like ours, experienced leadership is needed both inside and outside the Council Chambers," Mr. Ashe said. "I know how to work with people and how to deal effectively with all levels of government."

Mr. Ashe added that he has valuable government contacts, as well as political experience which will be an asset to the town.
