### Establish fund

Re: Salary Roll-Back Proposed By Harry Bowes Of York Region Board Of Education.

Dear Editor: I write to support the views of Harry Bowes in this matter and to add my opinion that in a perfect society, we would have the means of establishing an individuals worth and the value of his contribution to a particular undertaking. We do not however and are forced to consider alternate arrangements. I offer the following for consideration and implementation by the members of The York Board of Education. We have the public declaration of Mr. Bowes to the effect that he is happy to perform a rather onerous job if the number of meetings called is any criterion, for considerably less than what the organization seems prepared to pay. There well may be others of the board prepared to do the same if the final vote is any declaration of commitment. I would like to see the difference between the funds voted and the funds needed by the individual members, placed in what could be called the community project foundation of York Region.

This is a charitable organization which would be formed as a result of initiatives taken by The York Region Board Of Education in respect of the following:

(A) To develop, support and advance educational programmes, experiments and endeavours of any kind which, in the opinion of the board of directors, will promote the cause of education generally and/or benefit the community.

(B) To solicit funds from public and private sources in order to provide funding for community

programmes within York Region.

(C) To assist schools and community groups to develop programme proposals which may be supported by alternate sources of funding.

With a chairman and 15 members on the board, it would not seem to involve too great a sacrifice to bestow thirty or thirty-five thousand on the foundation for its purposes over a year. This generous action on the part of the trustees I am sure would attract the attention of York Region citizens who would be moved to match this unselfish act on the part of their elected officials. In little time the fund could be effectively supported and functioning to the benefit of our community. Properly administered, it could grow quickly as more and more citizens of our area would gripped by the benefits which would accrue to the community by its operation.

As in all things, there is little new under the sun. We would expect that the trustees and indeed all who support the fund would receive receipts which are acceptable for income tax purposes. East York is working on this same concept at the present time and York Region could benefit also by taking this on.

Mr. Editor, our trustees should be encouraged on your editorial page to accept their honorarium as currently approved with proviso that they become contributing members of the community project foundation proposed.

Sincerely  
James T. West,  
The Coach House,  
Stouffville.

## Notes

BY JIM THOMAS

### Publisher

Congratulations to Courtney Wallis, an honors graduate of Stouffville Dist. Secondary School. Courtney is the co-publisher of a weekly newspaper called Fredericton Today in Fredericton, New Brunswick. The July 8 edition contained 24 pages. Courtney's brother, Duff, a capable writer, should be in line for a co-editor's position.

### Lucky man

Dr. Larry Spiece, a graduate of Stouffville Dist. Secondary School, had a narrow escape from serious injury recently near Lethbridge, Alberta. His Pontiac 6000 was in collision with a tractor-trailer, completely demolishing the car. Fortunately, the full impact occurred on the passenger side. Larry was travelling alone at the time.

### Elevator

Work at the Whitchurch-Stouffville Rec. Centre is proceeding on schedule reports Town engineering coordinator Paul Whitehouse. An elevator to the second storey lounge should be installed this summer.

### A milestone

Congratulations to Mr. and Mrs. Joseph Fockler of Ringwood on the occasion of their 60th wedding anniversary. A family gathering is planned Thursday, Aug. 4.

### Wins trip

Barry Zeller, Market Street, Stouffville, was the lucky winner July 15 of the "Trip Of The Month" (to Florida), sponsored by the Whitchurch-Stouffville Minor Hockey Association in co-operation with Stonehouse Travel. Second prize of a \$100 travel voucher was won by Jeff Renalds of Scarborough. The next draw (a trip to Canada's East Coast) will take place Aug. 15.

### It's a fact

Recently, this bit of information was left on the Editor's Desk. It claims: "If a person at age 16 decides not to smoke and puts 60 cents a day into a savings account paying six percent interest, he or she will have \$121,132.00 within a period of 55 years. If that same person at age 16 decides to smoke, he or she will probably be dead. Take your pick!"
