Promotion is much deserved

Dear Editor: Through your newspaper, I wish to congratulate Bob Stover on his recent promotion to the position of Assistant Superintendent of Human Resources, York Region Board of Education. I can't think of a more deserving person.

None of us associated however remotely with the Stouffville Christian School will ever forget the sacrifice Mr. Stover made in taking over the principalship of this facility during its infancy. It was a 'labor of love' in its finest form.

Those of us who have known Mr. Stover always appreciated the fact he was destined for greater things. From what I know of his new post, (as of September), he's made to order for it and it for him. The administration couldn't have selected a better candidate.

Congratulations to Bob and a thank you to The Tribune for revealing this important piece of information through a Page 1 story. Sincerely, Karen Duncliffe, R.R. 3, Stouffville
