

Eighteen-year-old Stefanie Carlson, formerly of R.R. 1, Goodwood and now Balsam Street, Uxbridge, will enter Trent University, Peterborough in September. She's been an honor student

through five years at U.S.S. and will receive an Ontario Scholarship at Commencement Exercises this fall. —Jim Thomas

'Girl Next Door' Stefanie has plans for teaching career

By JIM THOMAS
UXBRIDGE — Stefanie Carlson wants to be a school teacher.

For as long as she can remember, she's had this ambition.

Fulfillment of her dream draws ever closer as she commences a Concurrent Education Course at Trent University, Peterborough, in September.

She's our 'Girl Next Door'. "It's exciting," says Stefanie, her eyes sparkling with enthusiasm. Many of her Uxbridge friends are also going to Trent and this pleases her. "I certainly won't be alone," she notes.

Stefanie already has a solid grounding in her chosen profession. Last summer, she worked as a YMCA camp counsellor in Elgin Park. She was previously an instructor at the Uxbridge Optimist-sponsored Gymnastics Club. Gymnastics remains a favorite sport.

Formerly of R.R. 1, Goodwood, Stefanie, her parents, Hank and Sandra Carlson and brother Dan moved to Uxbridge when she was a student in Grade 5. They reside in a lovely home on Balsam Street.

An ambitious girl, Stefanie holds two jobs this summer.

She's a waitress on the staff of Sleepy Hollow Golf and Country Club, Stouffville, and a part-time employee at Deir Electronics, Uxbridge.

Although she's yet to add golf to her recreation itinerary, Stefanie participated in a six-hole staff 'tournament' recently and enjoyed it.

Other interests include cycling,

soccer, volleyball, basketball and track.

An honor student through five years at U.S.S., Stefanie graduated with an Ontario Scholarship in June. She'll be honored when the school holds its Commencement Exercises in November.

She played the French horn in the senior band.

She has her Grade 8 piano. Stefanie speaks highly of the high school's Co-op Program that gave her an opportunity to serve as an understudy in a Grade 4-5 class at Uxbridge Public School.

Stefanie looks back on her five years at U.S.S. with much satisfaction. "I was very happy there," she states.

Stefanie points to her close circle of friends as being very important, in particular, Beth Atkinson, someone she's known since Grade 5. Despite the fact Beth's going to Waterloo University this fall, they intend to keep in touch.

She's also appreciative of assistance provided by her parents.

What's lacking in Uxbridge from a teen point of view? Stefanie was asked.

"Nothing," she responds, "Uxbridge has everything."

Prized bicycle is stolen

STOUFFVILLE — On Thursday, 12-year-old Tommy Eldermire of Watson Drive, Stouffville, left his white BMX bicycle in front of his house.

He was gone about two hours. When he returned, the bike was missing and still hasn't been found.

Police have a description.

The bike was a gift to Tommy last January from his father. He prized it greatly.

Anyone seeing a white Skyline Freestyle BMX is asked to call 640-4078.

Update

RECYCLING IN MARKHAM

Curbside recycling comes to Markham in October.

Reusing materials we now throw away makes economic as well as environmental sense and it's something everyone in the family can help accomplish.

Here are just a few of the savings:

Recycling a ton of newspapers saves 17 trees;

Recycling a ton of steel cans save 1.5 tons of iron ore and 3.6 barrels of oil;

Using recycled glass for new products can mean energy savings of up to 30%;

Recycling plastic soft drink containers can produce a fascinating array of products, including auto dashboards, audio cassettes and skis.

The paper, metal, glass and plastic used in households daily can have value over and over again with your help, starting on a town-wide basis this fall.

NOTE: The Town of Markham needs volunteers to deliver recycling containers to residents. If you or your organization can help, please call 475-4742.

Markham Theatre

SOMETHING FOR EVERYONE

This fall the theatre presents performances for every taste. Good seats are still available for most events. THE TAFELMUSIK SERIES, a newcomer to the Markham Theatre last season, returns for a second season of baroque masterpieces. Celebrating their tenth anniversary, Tafelmusik has won critical acclaim world-wide for its revivals of works by the great composers of the 17th and 18th centuries. Three concerts are scheduled including G.F. Handel's Messiah for one performance on December 19. A sell-out last Christmas, both at the Markham Theatre and Massey Hall, the Tafelmusik Chamber Choir and a cast of international soloists, will perform Toronto's favorite Christmas oratorio as Handel himself would have heard it. Don't miss it! Subscribe Today!

For those who have taken the opportunity to become subscribers to the theatre's Professional Entertainment Season, their tickets will be ready for pickup on or after August 12.

For those who have yet to become subscribers, plan to drop by our box office between 11 a.m. and 4:30 p.m. Monday to Friday or call 471-0201 for information on what the Markham Theatre has to offer you.
