Unique auction this Saturday

UXBRIDGE — Bruce and Gwen Stephens of Uxbridge are giving up their home to travel.

Quite naturally, they can't take everything with them. On Sat., Sept. 17, the public will benefit from the items they leave behind.

The sale, beginning at 10 a.m., is the largest of its kind held at the Wilson Sales Arena on Beaver Road.

Articles include furniture, oil lamps, dishes and collectables.

On a separate date, Sept. 29, woodworking tools, also the property of Mr. and Mrs. Stephens, will be sold. Time of this auction is 6 p.m.

A preview of Saturday's sale will be allowed on Thursday, (Sept. 15), from 1 to 9 p.m. and Friday, (Sept. 16), from 9 a.m. to 6 p.m.

An itemized list, published in the Sept. 7 Tribune, appears again in this week's paper, (Sept. 14).

Subdivision build-up delayed

By BRUCE STAPLEY

CLAREMONT — After a delay brought about by the Pickering Hydro workers' strike, construction is underway on a 22-house subdivision in Claremont.

The location is south of the 9th Concession, east of the public school.

The developer is Oakwood Holdings of West Hill. The sales agent is Sydney Whitebread of Family Trust. Lots have been sold to both individuals and builders with Claremont's Victorian Homes taking six.

Ten properties have been acquired by Rattlefield Developments of Toronto with the remainder sold privately.

An additional 22 lots will be placed on the market early in 1989.

Mr. Whitebread explained closings were delayed along with construction starts due to the strike. Only those who've purchased properties on there own have begun building.

Gordon McCombe took a nine-week leave of absence from IBM in order to commence construction. He then had to wait five weeks in order to obtain various permits. He's been using generators to provide electricity.

The anticipated price range of the homes is $280,000 to $325,000.

Science fiction film shot in this area

By BRUCE STAPLEY

VICTORIA SQUARE — Motorists driving past the Victoria Square Community Centre, Sept. 2, could have been excused for doing a double take.

A Paramount film crew had taken over the property, turning the site into a Canada customs border crossing station with an American office nearby.

The studio was filming part of an episode for the upcoming television series 'War Of The Worlds' that will debut in October.

It will be seen across North America. Most of the filming is being done close to Toronto.

The science fiction spectacular will star Jared Martin of 'Dallas' fame; Linda Mason-Green, Richard Chaves and Philip Akin from 'Night Heat'.

The producer is Jon Hackett, a Canadian.

The story is all about a group of aliens that take over the universe. In addition to Victoria Square, scenes are also being filmed at Bruce's Mill Conservation Area.

Flower shop in town mall

What's an indoor mall without a flower shop?

The Stouffville Place Mall, Main Street West, would now seem more complete with the opening of 'Monaco Florist'.

The business, operated by Lina Visconti, becomes 'official', this Thursday, (Sept. 15).

As a welcoming gesture, Lina's presenting a rose to every lady and a balloon to every child. A lucky draw will be held for a beautiful floral arrangement.

Lina, a graduate from the Toronto School of Floral Design, looks on her shop as a family business. She'll be assisted by her mother, Fiorina; husband Rick; son John and sister Lidia.

Lina's already been contracted to provide the floral decor for Kellington's in the mall. She's also received a wedding order, a week in advance of her opening.

Store hours are 9:30 a.m. to 9 p.m., Monday through Friday; Saturday, 9 a.m. to 6 p.m.
