I wish to extend to Gordon Ness sincere thanks from the Singles Support Group.

We appreciated Mr. Ness joining us at our regular monthly meeting in St. James Presbyterian Church on Tues., Sept. 27 to share with us some of his insights into dealing with the legal system as it relates to separation and divorce.

Meet the candidate

Nick Tatone, Vandorf Road, Whitchurch-Stouffville, is holding an old fashioned 'Meet Your Candidate Night' in the Stouffville Legion Hall.

The date is Wed., Oct. 19 from 7 to 9 p.m.

Mr. Tatone is a candidate for Town Council in Ward 3.

A department manager with I.B.M., Mr. Tatone says he wants to get people involved if for nothing more than to increase the voter turnout by least 20 percent.

Mr. Tatone says many people he's talked to are unaware of who their council representative is or even the ward in which they live.

The Ward 3 candidate plans to run a low-cost campaign. He's strongly opposed to 'sign contamination' and hopes this policy will rub off on the Town's neighboring municipality to the south.

You and Your Blue Box!

Blue Box recycling has come to Markham. You should have received your own Blue Box by now. It's part of an important community project to help reduce the household waste that goes into landfill sites and to conserve our natural resources. And, you can be part of it. Simply collect and store newspapers, glass bottles and jars, beverage and food cans and plastic soft drink containers in your Blue Box. Then put it at the curb for pick-up by 8 a.m. on your recycling collection day.

Please bundle all newspapers and inserts or place them in a grocery bag on top of or beside your Blue Box. To avoid attracting pests, remember to rinse out all containers. You can flatten cans to make more room in your Blue Box.

Your recycling program will only be a success if we all participate. If you have any questions, call 475-4752.

Recycling.
It only works if we all do our part.
