**Field hockey team winds up second in standings**

No one wanted third place. The Stouffville District Secondary School field hockey team played Williams Secondary to a scoreless tie, placing both teams in second place in their league standings.

Stouffville now must win this week's game to be eligible for a play-off position.

The girls later travelled to Oakville where they placed third in their division in a tournament

that involved 150 girls' teams from across Ontario. They played to two scoreless draws, won one game 1-0 on a goal by Brenda Hachey, and lost twice.

**Andrea completes silver**

Andrea Boyd, a member of the Stouffville Figure Skating Club, successfully completed her Jr. Silver Dances at a fall skating school held in Unionville.

**Classics settle for second**

Three goals was the number to score.

The Chefero Sand and Gravel Stouffville Classics captured second place in the 'A' division of the Betz Clipper Oldtimer Opening Face Off Part Four hockey tournament this weekend at the Recreation Centre.

The Classics were shutout 3-0 by the Scarborough Bluffers in the final, a team they had defeated earlier in the tournament.

The team got off to a rough start in the first game against the Markham Millionaires, losing 3-2.

However, the Classics went on to override the Bluffers 3-1 and Ajax Antiques 3-0 behind the goaltending of Gary Williams.

Entering the finals against Scarborough, the Betz team found out they were anything but 'bluffers' as they 'lost' to the avenging team.

In other tournament action, Stouffville's Bill Corner emerged the hero in the 'B' division final, with his goal being the only marker in the Scarborough Epson Classics 1-0 shutout of the Scarborough Rinkles.

Oshawa Antiques took the 'C' division, and Burkes Falls captured the 'D' division title.
