

Roots deep in Sandford soil

By JIM THOMAS
UXBRIDGE — Sylvia Risebrough's roots go deep in Sandford soil. She's country through and through and proud of it. But she's not so naive as to think this love of farm life can last forever. So she's making plans. Following graduation, she hopes to go on to university and major in Physical Education. She's our Girl Next Door. Born and raised on a property that's been in the family name through four generations, Sylvia received her elementary education at Scott Central, Sandford and Joseph Gould, Uxbridge.

She's a student in Grade 13 at U.S.S. Sylvia admits she enjoys the great outdoors. She readily turns her hand to any chores that need doing. This willingness to work is undoubtedly appreciated by parents, Ross and Janice Risebrough. She has a younger sister, Cindy, 15. Sylvia's proficiency in track and field has made her one of the top high jumpers at U.S.S. Her best mark is five feet. She also enjoys soccer, taking on a coaching role this past summer. She's a representative on

Students Council for the Girls Athletic Association. Sylvia is strongly supportive of Council president Jennifer Harding and vice-president Libby Jenkins. "They've really got the school going," she says. Sylvia serves as secretary for the Uxbridge Jr. Farmers. Through this organization, she's also associated with the Uxbridge Fair Board. She ap-

preciates the friends she's come to know. Sylvia works part-time at National Sports Centre, Stouffville. Her family are members in the congregation of Sandford United Church. Sylvia readily admits to mixed emotions about graduation. "It's exciting and yet it's not. I appreciate our close family atmosphere." "I'll be home every weekend," she promises.

Eighteen-year-old Sylvia Risebrough of R.R. 1, Uxbridge is the fourth generation on her parents' Sandford farm. Following graduation from Uxbridge Secondary School Sylvia plans to go on to university in a course related to physical education.

Points of interest during riding tour

Dear Jim: I wish to take this opportunity to thank you for taking time from your busy schedule to join my colleagues and me on our recent tour of the riding of Durham-York.

Parliamentary Assistant to the Minister of Natural Resources

I believe the tour proved a very informative and worthwhile experience for all.

The sites visited enabled members to view and understand the various areas of interest within each municipality.

Thank you for your time.

Sincerely,

Bill Ballinger,
 MPP Durham-York.

THE CORPORATION OF THE TOWN OF MARKHAM NOTICE

PROPOSED BY-LAW TO CHANGE A STREET NAME IN ACCORDANCE WITH SECTION 210 (SUBSECTION 105) OF THE MUNICIPAL ACT

TAKE NOTICE THAT the Council of the Corporation of the Town of Markham intends to pass a by-law to change the street name "Joycedale Street" as dedicated on Registered Plan 65M-2637, west of Dorothy Britton Drive located between Blocks 167 and 168 on Registered Plan 65M-2637 to "Tracey Lynn Court."

The proposed by-law and a detailed plan showing the lands to be affected may be seen in my office in the Municipal Building at 8911 Woodbine Avenue, Buttonville, Ontario during normal business hours.

The Council of the Corporation of the Town of Markham shall hear in person or by his/her counsel, solicitor, or agent, any person who claims that his/her lands will be prejudicially affected by the by-law and applies to be heard at a hearing to be held on Tuesday, January 24, 1989 in the Council Chambers of the Municipal Building at 8911 Woodbine Avenue, Buttonville at the hour of 7:30 p.m. or as soon as possible thereafter.

Christine Palmer, A.M.C.T.
 Deputy Clerk
 The Town of Markham
 8911 Woodbine Avenue
 Markham, Ontario
 L3R 1A1

DATED at the Town of Markham this 19th day of October, 1988.

GM GENERAL MOTORS OF CANADA LIMITED **GM**
 OSHAWA FABRICATION PLANTS

CAREERS WITH A CHALLENGE

The GM of Canada Oshawa Fabrication Plants are multiproduct facilities competing in the exciting automotive component market. We offer the unique opportunity of being a member of a team that is committed to the industry and the people that have created our success.

Oshawa Fabrication has additional full-time openings as a result of the demand for our products. Our management structure supports a creative environment where continuous improvement and customer satisfaction assure our continued success.

GM of Canada offers a competitive compensation and a comprehensive benefit package. Our commitment to personal growth and development is supported through on-the-job training, formal GM training programs, external educational products and a generous tuition refund program.

MECHANICAL ENGINEERS — REACTION INJECTION MOULDING

Our Reaction Injection Moulding department produces bumper fascias for our vehicles using the latest in moulding and paint technology. We have several openings for process engineers. Experience in a reaction injection moulding environment and/or a high volume automated spray paint facility is desired. A mechanical engineer with experience supervising in a production environment would be ideal. This is a salaried position requiring a mechanical engineering degree.

ELECTRICAL ENGINEERS — METAL STAMPING AND ASSEMBLY

Our Stamping facilities offer the opportunity to work with the latest in technology. We require engineers that are able to develop and implement manufacturing processes to assure the highest quality products and most efficient use of equipment. Experience in stamping facilities and knowledge of PLC and motor controls would be ideal. This position requires an electrical engineering degree.

DIE DESIGNERS

We require experienced Die Designers to work in our North Fabrication Plant. Experience in computer aided design is preferred. The candidate will be required to substantiate their status in accordance with our GM/CAW collective agreements. This position offers very competitive wages and an excellent benefit package.

Qualified candidates should forward a resume and transcript of education qualifications no later than November 8, 1988 to:
