

# Two youngsters lead team to win

Any fears Dave Turner had about allowing a couple of eight-year-olds to play on his Novice Clippers team this year were dispelled on Friday night at the Recreation Centre.

The Neil Patrick Clippers, who are made up predominantly of nine-year-olds, were led by Mike Wood and Brad Johnston to a 5-2 win over Port Perry. Both boys are eight-year-old rookies.

Wood was the big gunner, scoring twice, while Johnston added an assist and more than held his own playing on a forward line with Wood.

The two played well, said coach Turner. "I am very happy with their play."

Wood set the tone for the contest by potting both his markers in the first period to enable the Clippers to emerge with a 2-0 lead.

Robbie Spytz and Matt Turner drew assists on his first goal with Andrew Hutchison setting up the other.

Ryan King made it 3-0, from Johnston and Hutchison in the second, before Port Perry spoiled Clipper goalie Jason Brown's shutout bid.

But the Clippers got that one back in the third period, when Dan Tarella scored on a brilliant individual effort that saw him stick handle his way through the visitors' defence, then flick the puck into the right-hand corner of the net.

Port Perry cut the lead in half with 4:09 remaining in the game, but Shawn Carruthers scored from Turner to guarantee the victory.

Coach Turner felt his team played effectively, especially when taken into account that they hadn't been on the skates in a week.

"The boys were passing the puck well. I was pleased with their performance tonight," he said.

The Clippers travelled to Little Britain Saturday, where they were handed their second defeat of the season in a 2-0 shutout at the hands of Lindsay. The Lindsay club had split its two previous games with Stouffville.

The Novices entertain Bowmanville this Friday at 7 p.m. at the Recreation Centre.
