

## Close to her church and family

STOUFFVILLE — The respect held for Marion Eby and family was evidenced by the large numbers in attendance at the funeral service, Nov. 14, in the Stouffville Missionary Church.

Mrs. Eby died Nov. 11 at her home on Fairview Avenue, Stouffville, following an illness of 15 months.

Despite the fact she'd been in hospital for surgery on two occasions, home was where her heart was. She wanted to remain close to her husband and children.

Mrs. Eby, the former Marion Barkey, was born in Markham Twp., the daughter of Clarence and Ruth Barkey.

Following their marriage 30 years ago, Mr. and Mrs. Eby resided in Toronto, then moved to Stouffville.

Mrs. Eby was first associated with Dickson's Hill Missionary Church and later the Missionary Church in Stouffville. When health permitted, she seldom missed a service. She was a member of the Women's Missionary Society and often played the piano for the Sunday School.

Her letters of encouragement and support were anxiously awaited and much appreciated by missionaries overseas.

Mrs. Eby was intensely proud of her husband and daughters — Sheri, Sandra, Ruth and Jinny. She's also survived by two sisters, Pauline Warnica of Barrie; Margaret Wideman of Dickson's Hill and a brother, Elwyn Barkey of Cambridge.

Rev. Glenn Gibson and Rev. Douglas Gray shared the funeral service. Special music was provided by Rev. and Mrs. Peter Gibbins and Gloria and Louise Clarke.

Six nephews served as pallbearers — Stephen Clarke, Dan Wideman, Ken Wideman, David Wideman, Norman Eby and Mark Warnica.

Interment was made at Dickson's Hill Cemetery.

## Plane leads flock

Bill Lishman, formerly of R.R. 2, Claremont and now of Blackstock, has always been an innovator.

His 'creations' are sure to attract attention. His latest, a home-made plane, has attracted the attention of more than humans. It's become the 'adoptive' mother for flocks of wild geese.

When Bill takes off, the geese follow in perfect V formation.

It all started last summer when a pond of Goshlins moved to a pond on the Lishman property. Bill parked his plane nearby.

He also played tape recordings of the engine until the geese became accustomed to the noise.

Later, when the birds were old enough to fly, Lishman climbed into the cockpit and took off. The geese followed and they've been following ever since.
