

WILL YOU PAY TOO MUCH TAX THIS YEAR?

Once you reach a taxable income of \$55,000, you are devoting almost half your working day to paying taxes.

You should plan on redirecting these tax dollars to your benefit by way of tax-assisted real estate.

Real estate as a real investment.

Several investment opportunities to choose from:

- Residential townhomes in the Highway #401 corridor.
- Commercial properties in downtown Toronto.

A busy (and lucky) man

Santa was the busiest man in Stouffville, Saturday. Following the parade, he stopped off at the Library then called in at Canadian Tire. During this time he met dozens of handsome boys and pretty girls, but none prettier than 18-year-old Tammy Stonehouse of the Store's part-time staff.
