## Claremont resident harassed by kids

To Whom It May Concern:

Recently, in Claremont, there has been a recurrence of an incident where a particular person's property has been damaged and the family harassed through threatening phone calls.

Some families have given up on this community where the majority are really good kids. However, there's a group who continue to wander about the village at night, looking for 'entertainment'.

It's unfortunate when someone gains pleasure from someone else's despair.

We, as parents, should take stak of 'where our children are and what they are doing'. They are our responsibility and so is the community.

This particular family's only mistake was becoming involved in community betterment, (rightly or wrongly), and standing up for their rights and property.

In this season of peace and goodwill, I hope I speak for all residents when I say "we're sorry for the harm that's been done."

Perhaps we can all reflect on

the enclosed verse that reads:

"Where there is hatred, let's sow love  
Where there is injury, pardon  
Where there is doubt, faith  
Where there is despair, hope  
Where there is sadness, joy  
Where there is darkness, light  
Grant that we may not seek so much to be consoled as to console; to be understood as to understand; to be loved as to love. For it is in giving that we receive; in pardoning that we are pardoned."
