**Mayor's message**

Dear Friends:

The past six years have been both a learning and rewarding experience. I have come to know the dedicated staff who serve Whitchurch-Stouffville. They know, understand and appreciate this municipality. It is our common goal to serve! We have recently been and will continue to be under much pressure for growth. We will try in the future to do that which is in the 'Best Public Interest'.

We are very fortunate. We live in safety in this great nation, Canada!

We enjoy freedom of choice, speech and religion! There are so many throughout the world, at this time of year, who desire what we take for granted. Our Town is a caring, sharing, involved community.

Travelling the world will educate one, humble us and teach us at this 'special time of year', to be forever grateful that we are indeed unique! We are able to enjoy, with the members of our families, the 'fruits of our labor'. Praise, reflect, remember, the less fortunate this Christmas.

I thank you for my very strong mandate to continue to serve, along with all members of council.

I take this opportunity on behalf of Council, to wish you and yours a very Merry Christmas, a Happy New Year, good health and much happiness in 1989.

Sincerely,  
Fran Sainsbury,  
Mayor
