Randy Grant from Stouffville delivers an end-stealing rock in fine form during this past weekend's Highland Beverage Bonspiel. The spiel, held at the Uxbridge Curling Club, drew teams from all over the

region, but the host clubs managed to keep three of the five top prizes in their own club. Grant curls regularly at the Uxbridge facility.

## Uxbridge rinks take top honors

Uxbridge rinks took three of the five total prizes at the Highland Beverage Bonspiel Saturday at the Uxbridge Curling Club. The Uxbridge rink skippered by Bill Gee took third place and honors. The team included Bill Gee (vice), John Curtis (second), and Racine (lead). Skip Bill Hartwood led his Uxbridge rink to victory in the men's two-game category. He was backed up by Jim McAllester, Thomas Gettinova (second), and Robert Sternman (lead).

## Stouffville Pee Wees stymied in efforts to win playoff round

The Stouffville Pee Wee Clippers continued to be stymied in round-robin playoff action, losing 3-0 to Port Perry on the road, then bowing 3-2 to Cobourg at home.

The Clippers had lost their previous playoff games to the same two teams by identical 7-2 scores.

Against Port Perry, the Credit Union Clippers fell behind early and trailed 3-0 after the first period.

### Hit post

Despite carrying the play in the

final period, the Pee Wees were unable to score, hitting four goalposts.

David Sporenberg's goal from Ryan Burkholder and Ryan Jefferson gave the Clippers an early lead against Cobourg. Geoff Smith, from Jason Reesor and Steve Emes, made it 2-0 as the first period ended.

### Held off

Clippers' goalie Steve Servinis held the visitors off the scoreboard until the final minute of the second period.

But Cobourg mounted a determined offensive assault in the final period, scoring twice to grab the win.

The Pee Wees held their fund-raising dance at Latcham Hall last Saturday and had some help from the following sponsors who contributed gifts: Boyd's Sports, Cable Tech, California Kiss Car Wash, Canadian Tire, Card's Hardware, Choko Design Inc.,

Living Lighting Markham, Movies Plus, and Stouffville Bakery.

## Uxbridge Bruins scrambling to make playoffs

By BRUCE STAPLEY

Stouffville's Paul Sinclair capped a productive week by scoring two goals and assisting on two others as the Uxbridge Bruins overcame a 5-2 third-period deficit to tie Ajax 5-5 Sunday night.

The tie, on the heels of two lop-sided victories over league doormat Madoc earlier in the week, left the Bruins five points behind Cobourg in the race for the last playoff position.

Uxbridge had the power play down pat Sunday in Ajax, with all three third-period goals coming with a man advantage. Trevor Clark, Gregg Pierce and John Steeves also scored for the Bruins.

Derek Lee led the Bruins to an 11-2 romp over Madoc on the road Tuesday, scoring four times. Sinclair had two goals, as did Steeves, Chris Winn, Greg Cook and Gord Roblin had singles.

At home on Friday the Bruins continued to beat Madoc as if it was the family mule, with Cook's three goals and three assists leading the 16-1 rout. Sinclair again added two goals, as did John Long, Stuart Holter, Pierce and Angelo Perfetti.

Clark, Steeves and Winn had one each.

Bruins manager Chuck Parsons was pleased with the five-point week, but realizes his team is up against the wall. "It was good to come back like we did Sunday, down 5-2. But it's a situation where you have to win every game. The guys have been playing good hockey."

The Bruins have three games in hand over Cobourg and play third-place Trenton Friday night at 8:30 at the Uxbridge Arena.

## Midgets bow to Haliburton twice in playoff action

By BRUCE STAPLEY

It was just one of those weekends for the Stouffville Midget Clippers.

The Beckers Milk crew bowed twice to Haliburton to fall behind two games to none in their best-of-seven playoff series.

Friday night at the Recreation Centre, Stouffville took a 4-2 lead into the third period and appeared to have things under control when Haliburton simply took over, tying it up with just under six minutes left in the third period.

A 10-minute overtime period saw the visitors score twice to earn a 6-4 win, as the Clippers seemed to run out of gas.

Keith Piette was the big marksman for the Clippers, scoring three goals.

Chris Burkholder added a solo

Dave McNaught rounded out the line, which has provided the team with much of its offence this year, with a pair of well-timed assists.

On Saturday in Haliburton the Clippers couldn't pull themselves up after falling behind 3-0 in the second period and wound up losing 5-3.

Stouffville came alive in the third period with goals by Anand Date, Burkholder and Kevin Cryderman making it interesting, but Haliburton added two more goals to their total to ensure the win.

The two teams go at it again this weekend, with Friday's game being played at the Recreation Centre at 9 p.m. Then it's back to Haliburton for a return match Saturday.

## Novice Clippers win first game of series over Bowmanville

When it comes to locking horns with the best, Dave Turner believes that practice makes perfect. And his Novice Clippers were as near to perfect as the coach could ever expect Friday night at the Recreation Centre, dumping Bowmanville 8-4 in the first game of their best-of-five series.

"We tried to teach the boys a system in practice to use in our end of the rink and in the other team's," said coach Turner. "And they stuck to it well. And our practices are always 50 per cent skating. It showed tonight."

The Neil Patrick Clippers were 2-1 in league games played against Bowmanville this year, but were edged by the first-place Bulls in a tournament at Bowmanville earlier this year.

But Turner knows it's the playoffs that really count.

"They can have the tournament — and we'll take this (the playoff win) any day."

Dan Tardella, Matt Turner and Ryan King led the attack for Stouffville, scoring three goals each.

Andrew Hutchison and Grahame Smith added singles.

The Clippers came back from a 2-0 first-period deficit and went into the third stanza with a 3-3 tie.

But they turned on the jets in the final period, scoring five goals in a row.

The two teams go at it again this Friday night at 7 p.m. at the Rec Centre.

The big line for the Stouffville Midget Clippers scored a single, while ace Keith Piette added three markers. Dave McNaught, at right, kept pace with his teammates by setting up two of the Stouffville dominated for the first half. Chris Burkholder, at left,

## Stouffville Atoms win lose and tie

A satisfying win, a last-minute tie and a stunning defeat.

That's the best way to describe the fortunes of the Stouffville Atom Clippers in round-robin playoff action last week.

The Fame International Clippers treated the home fans to a 2-0 victory over their nemesis Cobourg at the Recreation Centre Wednesday. Roger McMann on a short-handed effort from Graham Crowder and Chad Dickinson, and Dickinson on a solo job accounted for the Clipper scoring.

Down 2-0 going into the third period of Friday's game in Port Perry, a determined Stouffville crew came back to forge a 2-2 tie. Brent Avery was the man of the hour, scoring both Clipper markers, with McMann drawing assists.

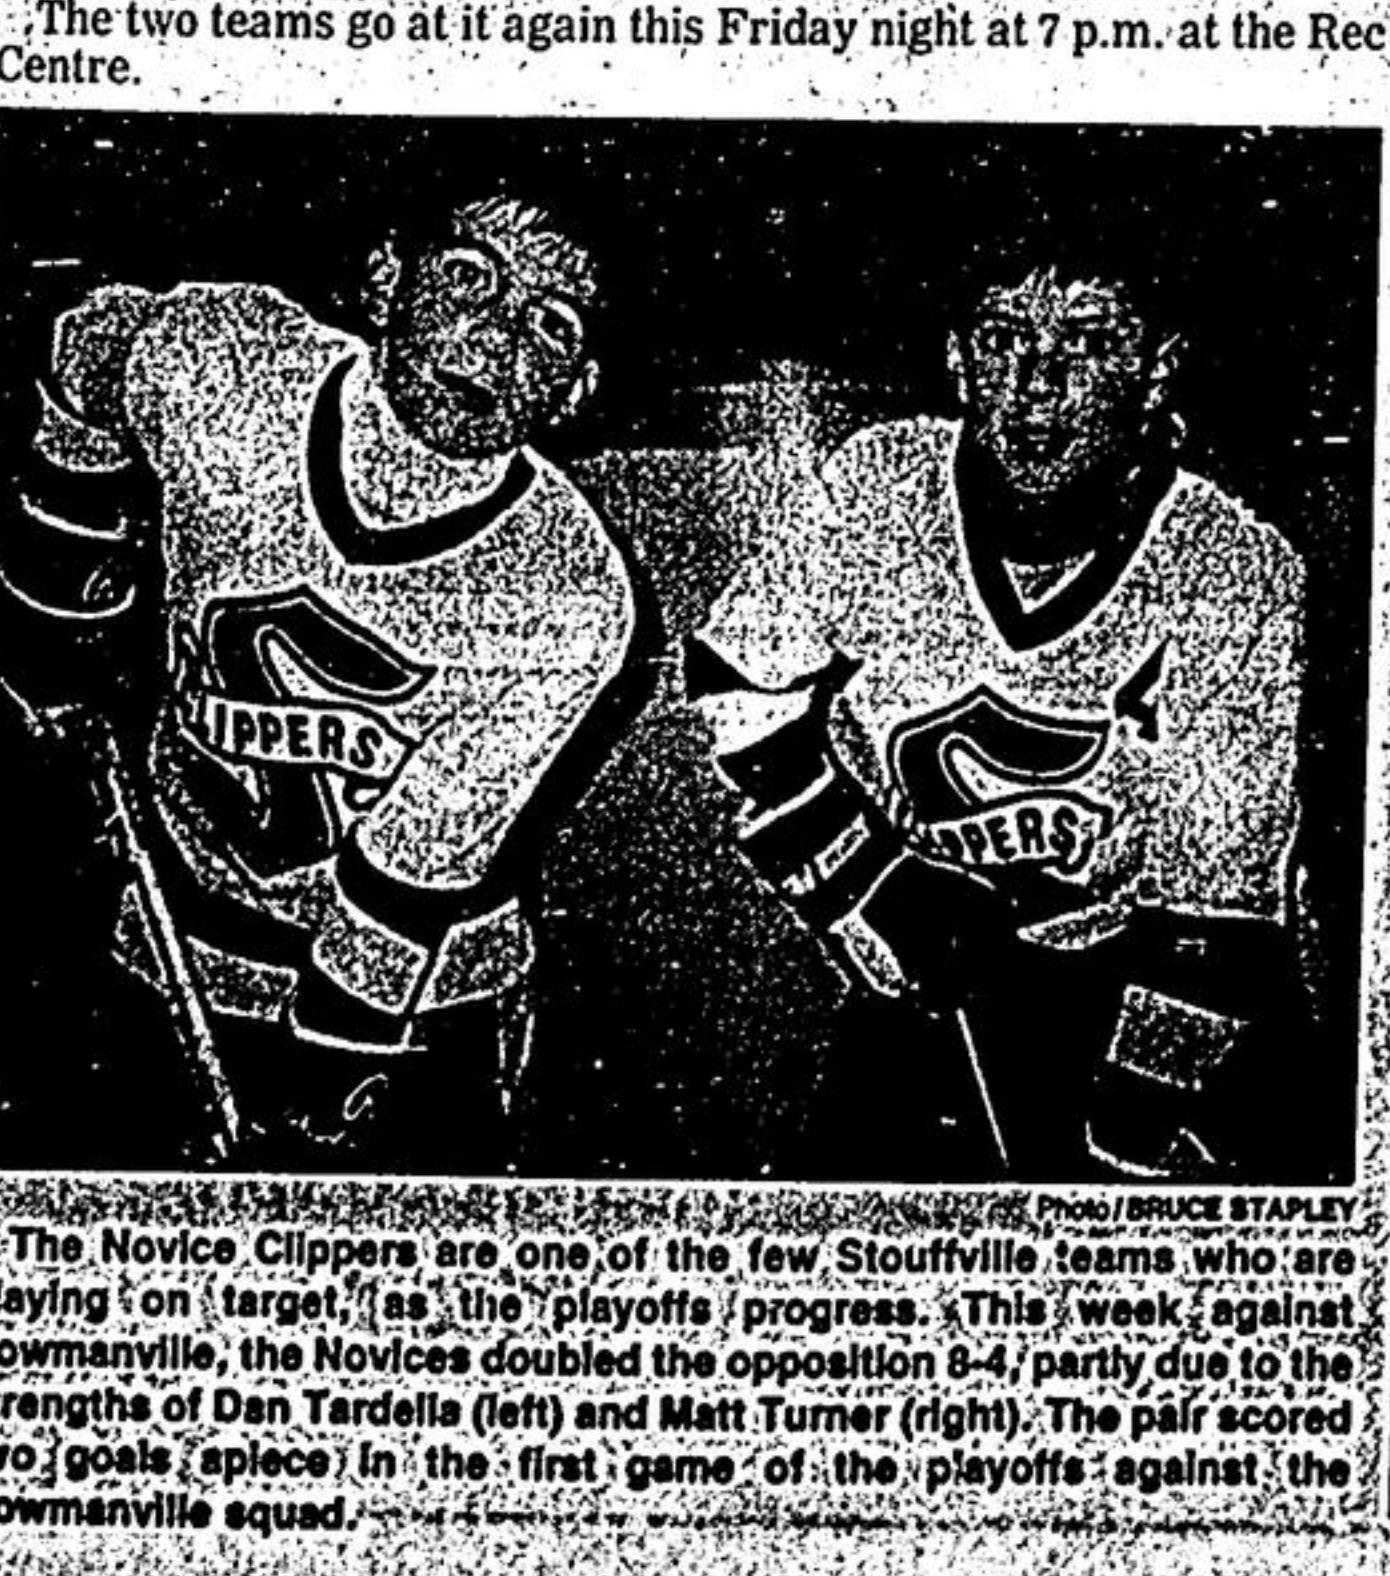

Cruising along with a 4-1 lead in the third period of Sunday's rematch with Port Perry at the Rec Centre the roof fell in on the shocked Clippers.

The Port squad lit up the Stouffville net with five unanswered goals to steal a 6-4 win.

Mike Underwood, Steve Wilcox and McMann all had a goal and an assist for the Clippers with Peter Smith adding the other tally.

The Clippers try to get revenge against Port Perry tonight (Wednesday) at the Rec Centre at 7 p.m.

The Atoms will hold their fund-raising dance this Saturday night at the Ballantrae Community Centre at 8 p.m. Tickets will be available at the door.

The Novice Clippers are one of the few Stouffville teams who are playing on target, as the playoffs progress. This week, against Bowmanville, the Novices doubled the opposition 8-4, partly due to the strengths of Dan Tardella (left) and Matt Turner (right). The pair scored two goals apiece in the first game of the playoffs against the Bowmanville squad.

## Stouffville Seniors finally earn a victory in basketball action

The drought is over. After several months of frustration and near misses, Stouffville District Secondary School Spartans Senior basketball team got its first win column in days.

John Hall had 22 points and 10 rebounds, and Marc Brown was in action, volleyball style, with 10 assists and 10 steals. Jim Fletcher scored 10 points, while Jim Steeves, Larry Cotter and Gord Roblin added nine, eight and seven respectively.
