Even multiple calls

Firefighters kept busy

STOUFFVILLE — The Whitchurch-Stouffville Fire Department responded to 261 calls in 1988, Chief Bill Brown reported this week. This is an increase of 48 over the previous year. A break-down follows: Chimney, grass and electrical fires, 77; remote alarms, 55; ambulance assistance, 48; motor vehicle accidents, 41; building fires, 23; hazardous materials, 11 and mutual aid, 6. In addition, the chief and deputy chief answered more than 100 calls that went unrecorded. Of immediate concern, Chief Brown said, are multiple alarm situations where the department must pick its priorities, divide up its personnel and handle each call the best it can. Such situations occurred on ten occasions this past year, Chief Brown said, and increasing annually.
