Support appreciated

Dear Jim:
On behalf of the Technical Department, I wish to thank you for the interesting and supportive article associated with Technical Day at Stouffville Dist. Secondary School.
It makes our accomplishments much more rewarding when we see others standing behind us and our efforts.

Sincerely,
Wally Currie,
Technical Director

Higher profile

Dear Editor:
As the parent of a student enrolled in the Technical Department at Stouffville Dist. Secondary School, I was pleased with the coverage The Tribune provided the 'Trade Fair' in the gym Feb. 2.

Today, many Tech Dept. grads are better employed than graduates of our universities. As Mr. Currie pointed out, there's a crying need for this type of young person. I, for one appreciate the excellence of our Tech staff at Stouffville High and the accomplishments of the students.

Sincerely,
(Mrs.) Gladys Gilberg

Stouffville
