## Editor's Mail

### To the rescue

Dear Editor:

I happened on the scene of a serious two-car collision at McCowan and Stouffville Roads, Feb. 15.

While I didn't witness the actual crash, I observed the assistance provided by ambulance personnel and firefighters at the crash location.

Where would we be without these people?

They seemed to know exactly

what to do. In addition to medical and rescue assistance, 'just being there' was comforting for the injured.

Through your newspaper, I want to pass on my appreciation to these men and women for the work they do and the services they provide.

Sincerely,

Marjorie Galpin,  
 R.R. 2, Markham
