Unionville kids tops in festival

The 62nd Annual Peel Music festival was the realization of a year's work for Andrea and Ashley Barnes, two young Unionville residents. "It was a lot of fun, but a lot of work," said 16-year-old Andrea. She placed first in the Dramatic portion and second in the Poetry section in the under-17 age group. Her younger sister Ashley placed first in both portions in the under-13 group. Ashley, 12, won a \$150 scholarship for her first-place finishes, with the money being used to help her in further studies.

The Barnes sisters have had lessons with their teacher, Mrs. Prentice for the last two years. "Mrs. Prentice would choose the poem and we would perform in front of her, one night a week; then she would tell us what to correct," explained Andrea. Prentice and other students from the Unionville area do well, and another family at that, Nicholas, Christopher and Rachel Abraham all placed in the top three of their age group.
