**Council in brief**  
**Residents seek \$35,000**

**Fight still on**  
 A group of area residents continued their fight against Town Council Tuesday for reimbursement of legal fees in their bid to overturn a development proposal in the 9th Line and Vivian Rd. area.  
 But council took no action in the group's quest to recover \$35,000 they spent battling the O.T. Baggio subdivision and simply received the presentation from representative Bill Lynn.  
 The Concerned Residents Group of Whitchurch-Stouffville appeared before council Tuesday

to say their claim is both "moral and just."  
 The issue arose over an Ontario Municipal Board hearing to debate the Baggio proposal's bid to have 17 estate residential lots approved.  
**Yes and no**  
 Although the town has been turned down by the Ministry of Transportation for traffic light subsidies under the province's supplementary allocations programs, other amounts have been advanced for road improvement projects.  
 Town Council received a letter

Tuesday from Ministry spokesman David Moule, which denies supplementary funding for the town, but which indicates funding may be available to pay for lights under the traffic signals program.  
 In other correspondence from the Ministry however, Stouffville was awarded the first 30 per cent of its portion of funding for road improvements in the town in the amount of \$133,000.  
 No date, meanwhile, has been set for funding announcements under the traffic signals program.

**"Personal service means a lot to me. That's why I switched my accounts and came to Standard Trust."**

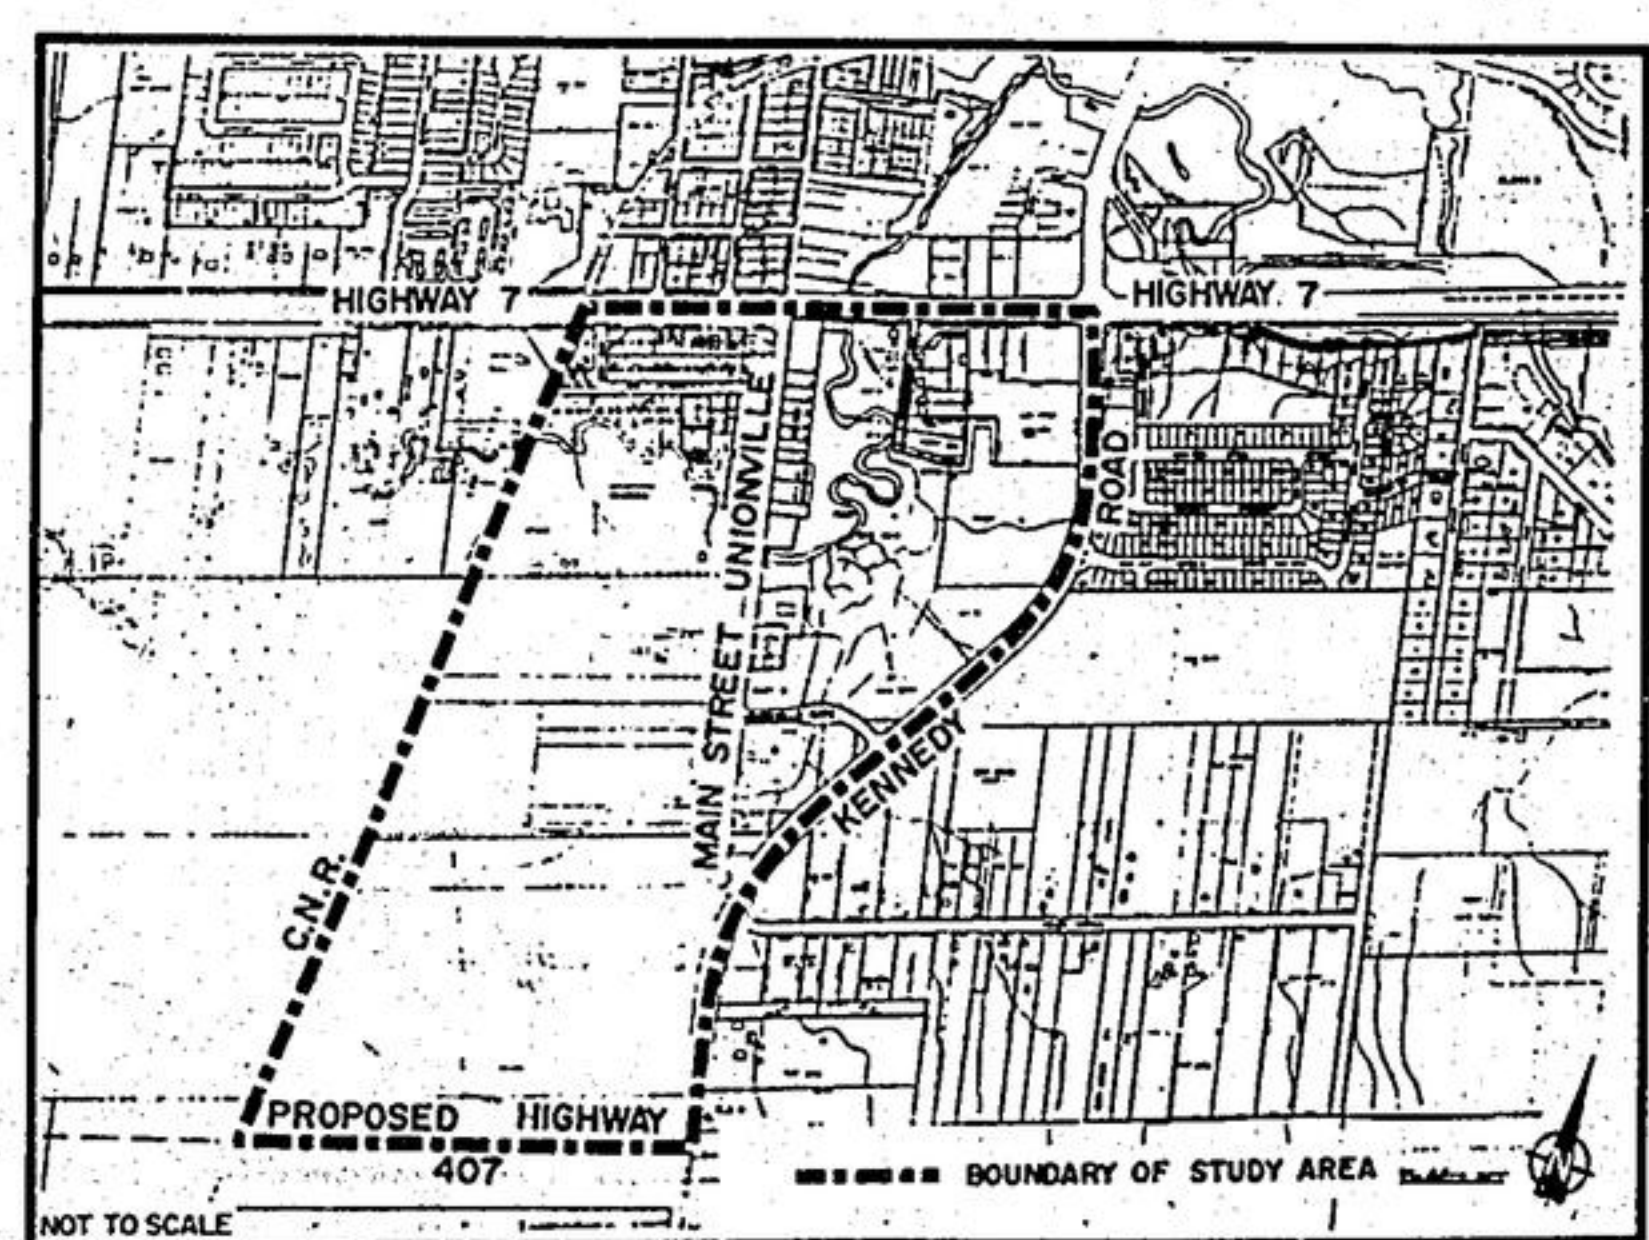

William Martin, CHATHAM, Ontario

Bill Martin spent a lot of time comparing the bigger institutions with Standard Trust, so what did he decide? "I just didn't like lining up in the corral. And I guess I'm old fashioned enough to really appreciate a friendly greeting from people who are genuinely interested in looking after my account, where I can feel like a person and not just a number. "That's why my wife and I switched to

Standard Trust. Everybody is so nice to us, if you ask me, Standard Trust is an excellent place to do your saving. Big enough so you feel your savings are safe, but small enough to give good service." There are a lot of good reasons why so many people are switching to Standard Trust. Drop in and ask your local Branch Manager to tell you all the good news today.
