

**KENNEDY ROAD LAND USE AND URBAN DESIGN STUDY
PUBLIC INFORMATION MEETING
WEDNESDAY, MAY 24, 1989, 6:30 P.M.
UNIONVILLE HIGH SCHOOL (Double Gymnasium)
201 Town Centre Boulevard, Markham, Ontario**

A public information meeting regarding a study of land use and urban design for properties fronting on the east and west sides of Kennedy Road between the Canadian National Railway and Denison Street, in Part of Lots 3, 4, 5 and 6, Concessions 5 and 6, has been scheduled for the time and place noted above. Everyone is invited to attend.

The Town of Markham has retained Stephen G. McLaughlin Consultants, Inc. as consultants to undertake this study and to make recommendations to the Town in regard to land use policies, urban design guidelines and zoning requirements for this section of Kennedy Road. The Study Area is as shown on the map above.

Your participation in the study is welcomed. Please forward your concerns, comments, or opinions to the consultants at the address shown below. Requests to be included on a mailing list or to receive further information may also be directed to the consultants at this address.

Please direct all correspondence to:

Community grieves death

By MARJORIE WOODLAND
Sincere sympathy is extended to the Charles Turner family in the untimely death of their son and brother, Barry. After a long struggle with cancer he passed away Sunday, May 14, at the Toronto General Hospital. Barry would have celebrated his 30th birthday this month.

mother Mrs. Dorothy King, sister Ruth and brothers Bob and Larry. In a combined Sunday School and Worship service at the Baptist Church a film was shown: A Father, a Son and a Three-Minute Run. The young peoples choir sang several selections. Flowers were presented to the ladies at both congregations as a tribute to mothers.

After a long stay in the Uxbridge Cottage Hospital, Mrs. Nellie Byams has been released and is now living at 'Dah Home' in Uxbridge.

Mothers Day was observed on Sunday at the village churches by special services. The United Church held a Baptism service for little Leeanne Opal, daughter of Kevin and Marie King. Guests from a distance included Kevin's

Cam Stewart, having been with Bell Canada for many years under different appointments, is now progressing to a new one as manager of driver training. His duties will entail travelling to various centres in the province to teach both defen-

Several relatives and friends of Rev. and Joan Filyer motored to Brantford on Sunday to attend an anniversary of their 40 years of pastoral ministry. Immanuel Baptist Church in Brantford hosted the event which included a 5 p.m. luncheon and a 7 p.m. service of praise, followed by a reception.

TOWN OF MARKHAM

NOTICE OF 16TH AVENUE CLASS EA FINAL ENVIRONMENTAL STUDY REPORT (ESR) IN PUBLIC RECORD

The Town of Markham has finalized Phase IV of the Class Environmental Assessment for the proposed widening of 16th Avenue and construction of a portion of the proposed Markham By-Pass, and is documented in the Environmental Study Report (ESR).

The ESR was filed on May 19th, 1989, with the Town's Clerk and placed in public record at the four Markham Libraries, where it will be open for review for at least 30 (thirty) days. Objection to the proposed project may be made within the 30 day period and it may become the responsibility of the Minister of Environment to decide if the objection is justified, and therefore, if further environmental assessment is required. If however, no objections are received, the project may then proceed on to the construction stage.

The report documents a description of the following:
- the problem definition and related background information
- the rationale employed in selecting the preferred solution and design concept.
- a summary of environmental consideration and any measures taken to minimize these effects before and after construction.

For additional information contact:
Basil Gunathunge at 475-4742 Ext. 301
or Derek Mack-Mumford at Ext. 302,
Engineering Department, Town of Markham.
