

Commander Business Furniture Inc. as a corporate sponsor would like to take this opportunity to thank all the volunteers of the **MARKHAM UNIONVILLE MINOR BASKETBALL ASSOCIATION** for their efforts during this past season. Several hundred girls and boys spent many enjoyable Saturday mornings from November through April learning and playing the game of basketball. The teams were very well balanced and all play-offs and finals were competitive and entertaining. Special congratulations and thank you to the coaches and age level convenors. Look for announcements in September regarding registration and details for next season. In an effort to assist in some small way with the future success of this popular winter activity we would like to use this advertising space to make a special appeal for specific help in two areas next season.
