

Going once, going twice...sold on auction

Local bargain hunters turned out for a Saturday morning auction on Main St. to examine the wares put on the sale block. About 200 items were up for grabs to raise money for restoration of the Mansion House on Main St. In the photo at left, Ken Burgess and Jean Anderson browse at the china table to see what's available. Below, auction organizer Les Morocz holds up a heater while auctioneer Kevin McGuckin runs up the bidding prices. In the right photo, Mr. Morocz displays one of the many vacuums on sale during the auction. One of the items discovered during renovations of the old Main St. building included an 1897 Farmer's Almanac.

To Get 3 Years Free Regular Maintenance You Can Buy A \$35,000 Car. Or A Hyundai Sonata For \$13,295*.

Hyundai is the only affordable family car on the road to offer Free Regular Scheduled Maintenance - parts and labour. And it comes as standard equipment on all new 1989 models for 3 years or 60,000 kilometres (whichever comes first). This means you don't have to shell out for things like oil changes, air filters, spark plugs, brake pads, and that other expensive maintenance stuff. And that's not the only way you save. Right now, the Hyundai Sonata gives you more power and a lot

more room than Accord and more power and as much room as Taurus - for *thousands* less. Compare it to other cars that offer free regular maintenance, and you save enough to buy two Sonatas. So you save when you buy, and with Free Regular Scheduled Maintenance you keep on saving. Free Regular Maintenance is not a warranty. It is a free maintenance program over and above the regular Hyundai warranty. Let your Hyundai dealer show you how to save a bundle with the best deals on the road today.
