

Sign of the times

Residents battling Durham Region's plan for a dump site near the hamlet of Whiteside took to the Claremont community's streets on Saturday to protest the decision. Demonstrators were on hand to collect signatures for a petition during a weekend of activities held in Claremont. Here, Judy Fredl and Gary Fitzpatrick discuss their cause with visitors to the booth.

Specialized Summer School Improvement Courses

Our summer school courses were developed to meet the needs of all students; those in elementary schools, those entering high school for the first time and those being promoted to senior high school grades. Designed to enhance classroom performance in specific subjects, they also give students an added boost by inspiring self-confidence, fostering organizational skills and encouraging self-motivation.
