These cars are already the best value on the road today, and your Hyundai dealer is in the mood to let you do considerable wheeling and dealing.

And one thing you can count on is not having to shell out your hard-earned dollars for the expense of regular scheduled maintenance for 3 years or 60,000 kilometres, whichever comes first.†

That includes parts *and* labour on oil changes, oil filters, spark plugs, windshield wiper blades - even things like engine coolant and brake shoes.

Hyundai is the only maker of popular priced cars to offer free regular scheduled maintenance on '89 models.

So go see your Hyundai dealer while supplies last. He'll save you a bundle now and for the next 3 years.
