LANGDON'S COACH LINES CO. LIMITED

has been providing school bus services for the children of York Region for the past sixty years. We are very proud of this accomplishment and we have our drivers and other support staff to thank for continuing to help us provide a safe and reliable service. The growth in York Region is continuing and so is the need for our services. WE REQUIRE SCHOOL BUS DRIVERS to work up to three hours per day for the start of school in September and we will provide free training for you to obtain your licence upgrading. Routes are available into Whitchurch Highlands Public School. Join our staff now and you can not only work with one of York Region's most established companies, but you can assist in the education of your children and other children in your neighbourhood. Now's the time to start your training.
