### MAINTENANCE ELECTRICIAN Whitby

Ball Packaging Products Canada Inc., Canada's largest and most technologically advanced manufacturer of metal containers, has an immediate opening for a skilled Maintenance Electrician at its Whitby facility.

The critical manufacturing process at this plant requires that the candidate show excellent diagnostic and trouble-shooting skills and an ability to work with little supervision.

You must possess a valid Ontario Electrical Certificate. Preference will be given to those with a working knowledge of programmable controllers and experience in an automated environment.

Candidates must be willing to work a 12 hour continental work shift of 4 days worked, followed by 4 days off. We offer a very competitive compensation package and a modern working environment.

Please send resume to  
Sue Jones, Human Resources  
Ball Packaging Products Canada Inc.  
1506 Wentworth Street West  
Whitby, Ontario L1N 7C1
