Canadian Holidays

(formerly Treasure Tours)
A WORLD OF VACATIONS

Canadian holidays and five giants of cruising invite you to indulge in one of life's great vacation experiences!

The sun begins to set on your first day at sea.

You spent the day lounging on a deck that seemed to stretch for miles. Maybe you enjoyed a mid-afternoon workout in the gym. Or curled up with a book from the ship's library.

Now it's time for a night out on the town only NCL could offer.

You might enjoy a cocktail in an intimate piano bar. Or, perhaps, in a spacious lounge that offers a glorious view of the ocean gently passing by.

Then, after a fabulous meal, try your hand at blackjack in the casino. Or watch a lively musical in a magnificent theatre.

You can relax with a movie in the cinema. Or, on the upper deck, dance the night away under the brilliant, star-studded sky. The possibilities are virtually endless.

Whatever you choose to do, one thing is for certain: It doesn't get much better than this.

That is, until tomorrow.
