Buckingham Manor

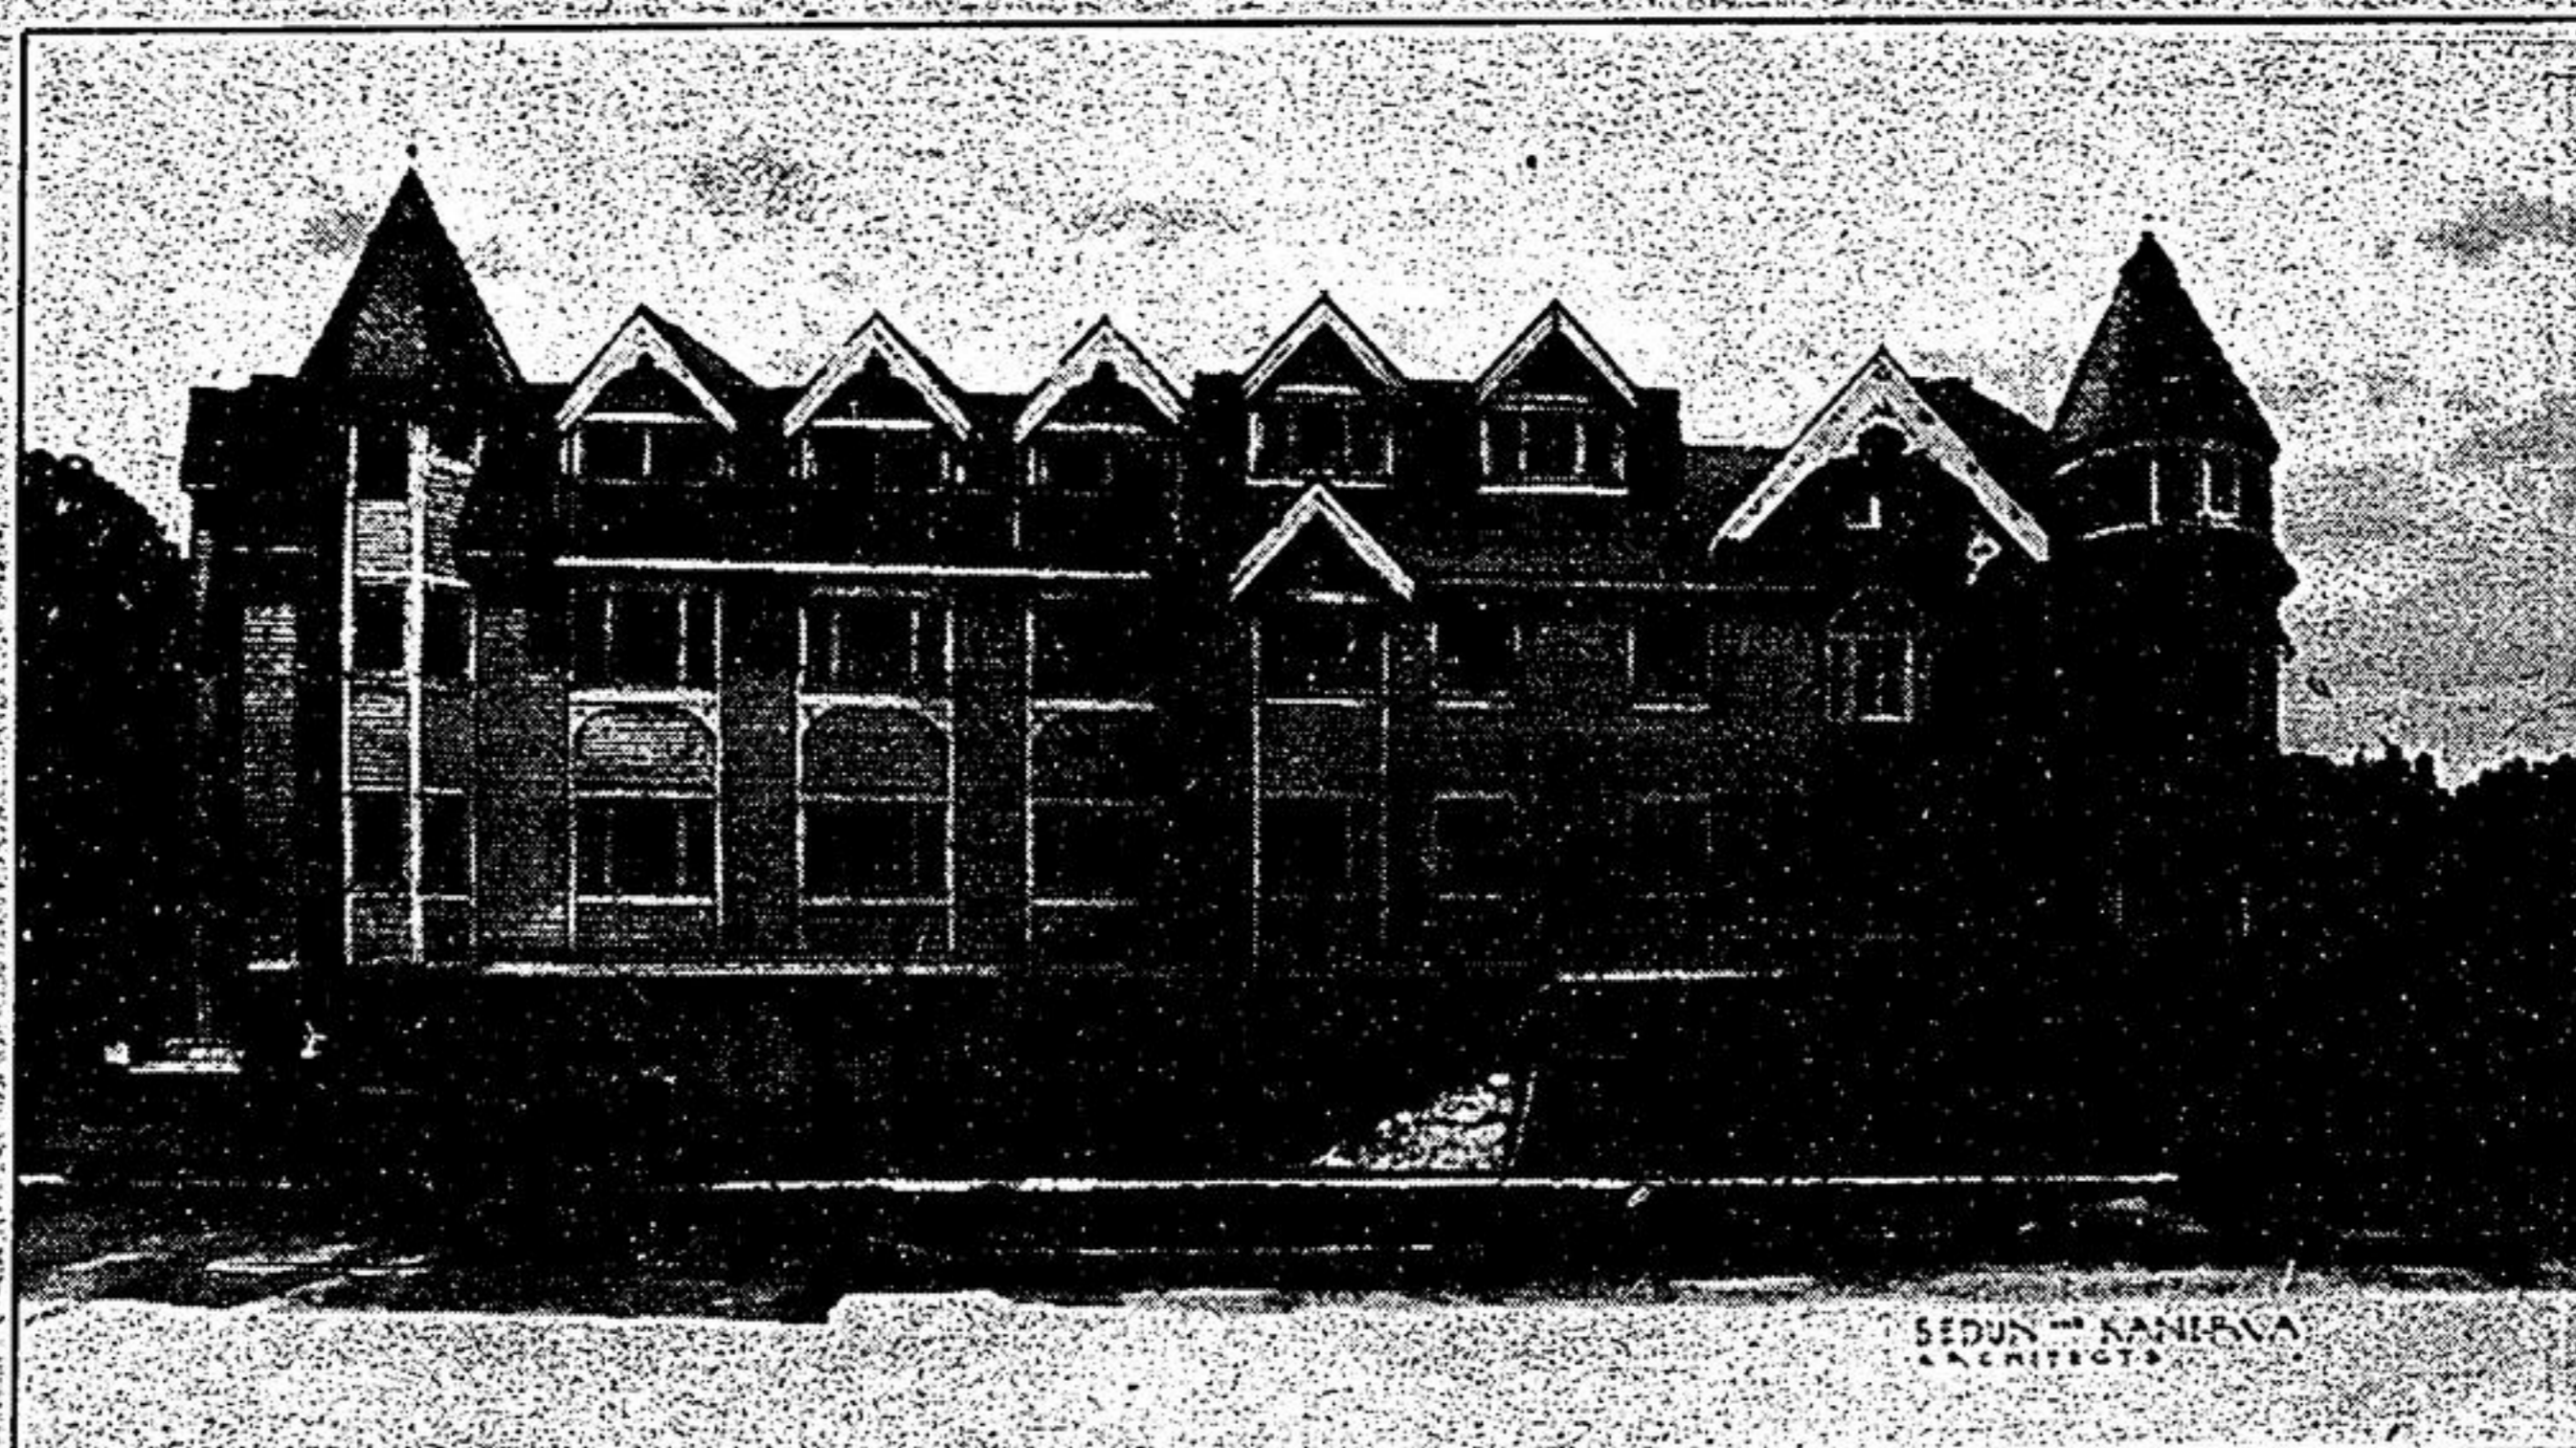

Retirement living with the Royal Treatment

Located on the Main Street of Stouffville is an elegant and beautifully designed Retirement Home of Victorian Vintage, restored and expanded to accommodate the needs and wishes of our independent Seniors.

Within its home-like atmosphere, we provide a grand lifestyle, evidenced by our many lounges, conservatory, library and games room, where you can enjoy the company of neighbours and friends.

Five different room plans are provided for couples or individuals, all with 4 piece private bathroom and some models include a kitchenette to provide even more independence. Suites come fully furnished, although those who wish to furnish their own rooms are welcome to do so.

Many of our rooms and suites have been occupied or reserved, but a few rooms remain available. Costs range from \$840 to \$2800 per month, depending on the type of accommodation desired.

Come join us in our bright and cheerful dining room for a complimentary lunch.
