March Break camp

Looking for something new and exciting for the March Break? Try our "Week at the Beach." Our instructors are currently preparing a variety of activities including all your favorite beach games. If you're interested in the camp, call the Recreation Department office.

Can you help?

The Recreation Department has become computerized. To assist with the registration process (which can be time consuming) we are asking families to drop by the recreation office, or call us and provide general infor-

mation about your family (name, address, phone number etc.).

By having this information in the computer prior to scheduled registration dates this spring and summer, it will allow our department to provide services to the community in a more efficient manner.

New brochure

The next edition of our Spring/Summer Brochure will be delivered to your home during the first week in March. Please contact the recreation office if you have not received the brochure by March 12.
