Stouffville seniors celebrate friendship

Local seniors turned out at the Silver Jubilee Club on Main Street in Stouffville last week for a pot luck dinner, friendly fellowship and a general meeting. A host of culinary contributions filled the tables in the hall as seniors tucked in for some fabulous dishes. At left, Cecil Bowden and Irene Slack chat amiably after their meal. The tables were full (below) of goodies which made for a memorable meal, and the event attracted a sizable crowd of companions (middle right photo). In the bottom photo, a visitor fills her plate with just a little of everything to fully appreciate the various tastes. Middle left, Earla Reid tries the home-made lasagna before making her way on to some of the other dishes. The evening was a rousing success, giving seniors a chance to reacquaint themselves with old friends, as well as make some new ones.
