**LAKESIDE LIVING
- UNDER 20
MINUTES AWAY**

If suburban life isn't all it's cracked up to be, a trip to the Lakeside at Port Perry could open a new door. This door could be the gateway to relaxed, friendly small-town living where the grocery store is within walking distance and the neighbours happen to be Canada Geese. This door could open onto year round lakeside recreation, concerts in the park, or quiet evenings at home beside the fireplace

watching the moon's reflection on the lake. This door is the door of your suite at the Lakeside, which, incidentally also happens to be a good investment. It's a fact that waterfront property is sparse and those owning it now are fortunate because prices will never drop.

But don't take our word for it, see for yourself how much better life could be.
