Teacher takes flight

A Teacher Terrors player, dark sweater, takes flight after a crushing check by a Stouffville District Secondary School (SDSS) student during an exhibition game Friday afternoon to raise funds for the school's Track Fund. The Terrors used their experience to overcome the student's young legs, winning the contest 6-3. However, the real winner was the SDSS Track Fund which collected \$450 from the popular "grudge" match.
