Looking to success

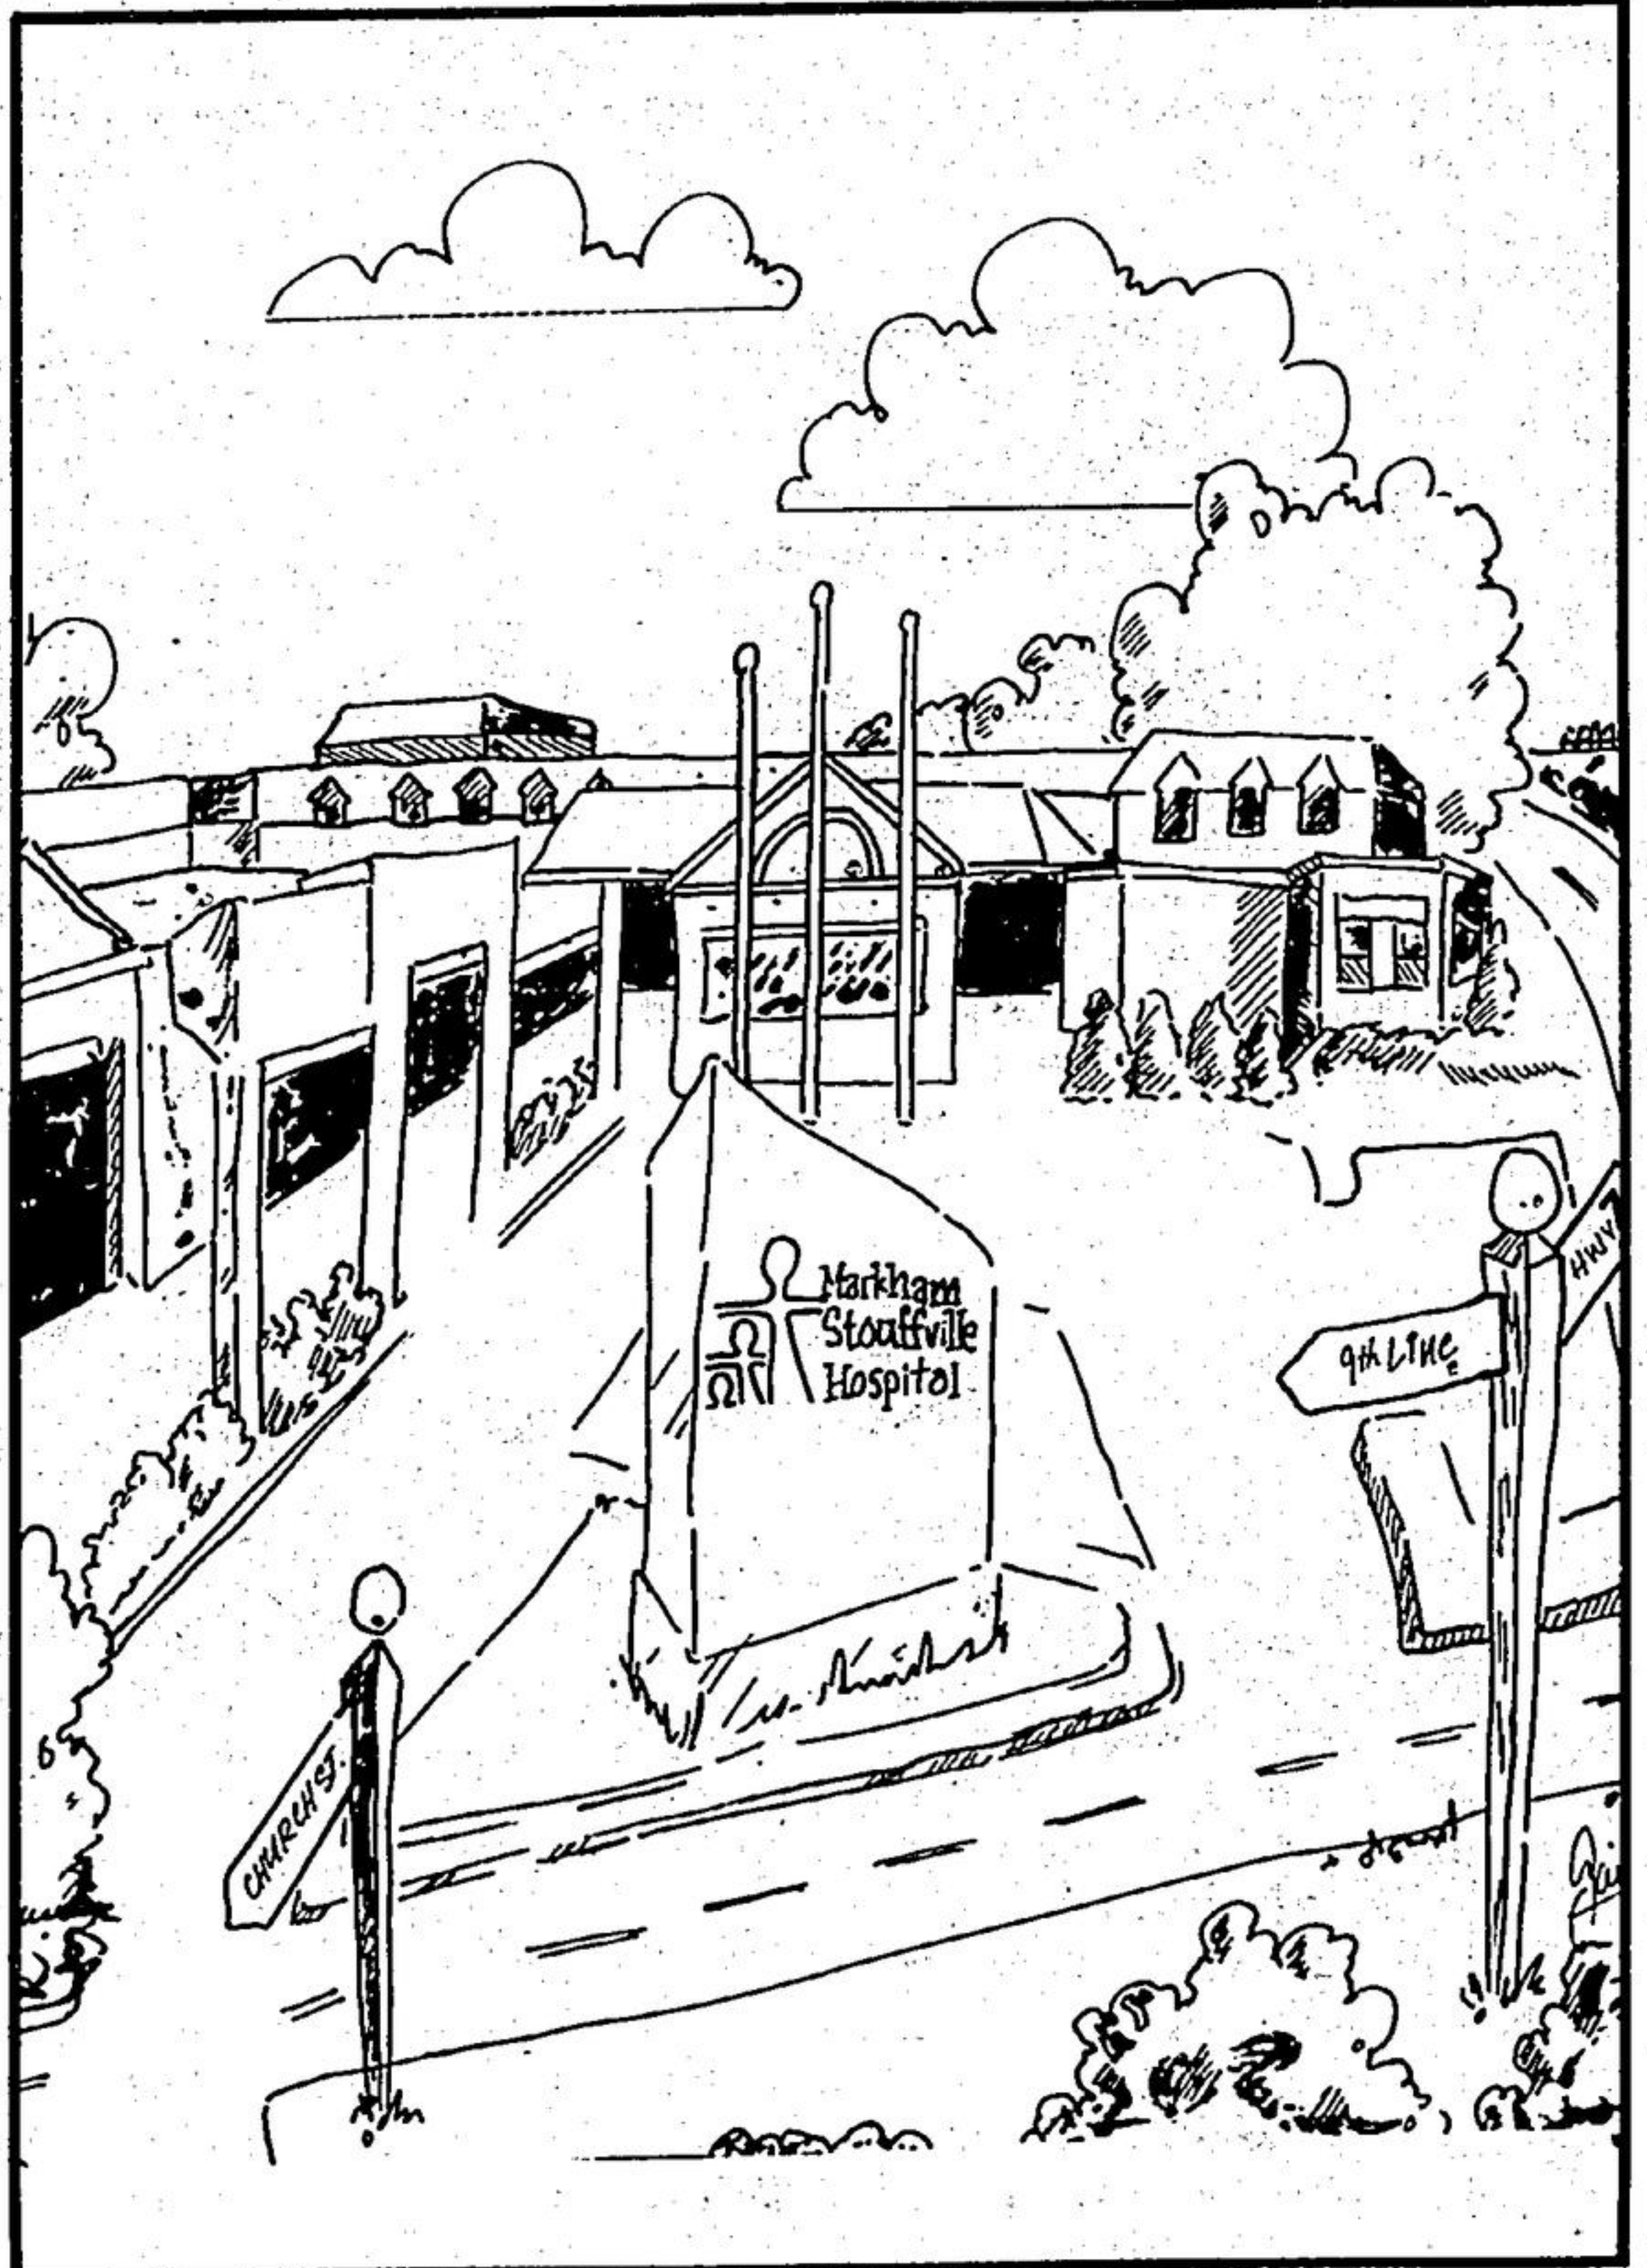

Marilyn Bruner, President

**Mac Cosburn, Chairman of
the Board**

*The vision of a community hospital for the citizens of
Stouffville, Markham, Unionville and surrounding areas
is a reality. The dedication, total commitment and high
ideals which built your hospital are the very foundation
of the philosophy of care and value system that will
focus the work of hospital staff, medical staff and the
board of directors.*

Caricature is courtesy of COMMUNI-TOONS, a Markham-based Graphic Arts Fundraising Company producing full color maps of the Markham and Stouffville business communities. They donate 15 per cent of proceeds to the new Markham Stouffville Hospital. Participate by calling 472-1084.
